Windermere Town Hall

Windermere Rotary Club Weekly Roundabout

Quote of the Week: **"If you want to test your memory, try to recall what you were worrying about one year ago today."**

E. Joseph Cossman

THE FOUR-WAY TEST
of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

PROGRAM FOR THE WEEK:

Jonathan Proto
President, DJ Doctor

Jonathan founded **the DJ Doctor** in 2007 at the young age of 15. He worked hard and put a lot of effort into the company. After entertaining at personal and private events for one year, he reached out into the business market in order to expand his company.
He submitted his first bid to the Boardwalk Entertainment Center in Downtown Orlando and was awarded a position as their newest DJ! Within three months of entering the business market, the DJ Doctor became a full service DJ and entertainment company. Over the years the DJ Doctor ventured outside of the Winter Garden area, and they are now DJ in 25 cities in three U.S. states. Whether you are planning an intimate gathering with close family and friends, a large elegant wedding, an outdoor festival for thousands of guests, or an upbeat downtown Miami or Orlando club, the DJ Doctor, Co. will dedicate 100% of our effort to cater to you and your guests.

Letter to Windermere Rotary Club

I owe many thank yous in my life.

First, thanks be to God. Secondly, to my parents who have supported and dealt with me over the years. Next, thank you to the Rotary Club for these past couple of years. This scholarship will help my family financially and my education tremendously. Thank you for supporting my international project of sponsoring Jackline. Thank you for contributing to the typhoon relief-which means a lot to me and my family in the Philippines. Thank you for just supporting my ideas financially and with enthusiasm.

Thank you Ms. Rose for being the only constant figure in Interact, over the years. Your organization and ability "to be on top of everything" really drove us to be successful in all our community service efforts. Thank you Mr. Rose for doing a lot of the behind the scenes work with no request for recognition. Even though they're not here-thank you Ms. Doty for being so optimistic about everything and always having a smile on your face. Thank you Ms. Porter for dealing with me as President. I enjoyed your pep talks at every meeting including the "March Madness" schpeel and really promoting the motto "Service Above Self."

When I started in Interact as a sophomore, I joined just for the community service hours. But as I volunteered more and more, and attended RYLA, I realized I had a passion for helping people. I genuinely enjoy serving others; helping those who can't necessarily help themselves gives me a warm fuzzy feeling like no other. And that's what I decided I wanted to pursue In my career. I especially enjoyed painting nails at Health Central Park, creating Easter crafts at Edgewood Children's Ranch, and playing basketball at the Boy's and Girl's Club. I hope these acts Being in Interact has helped me grow as a person: I got to realize my true passion (besides dance) and learn leadership skills that I know will benefit me in the future.

Thank you again for everything, Jacquelyn Ritz

P.S. And don't think you all have gotten rid of me yet. I'll be keeping contact to see how Interact will expand, especially with my little brother now in office.

Letter from Steve Fasen:

After a lengthy and pleasant absence, in part for the Rotary International Convention, I am back in town awaiting the return of our future president in a few days. I will waste no time in expressing my sincere appreciation to all club members who participated in the execution of this years BBQ and Bowties. I will get more specific in time. This truly engaged virtually all our members in one aspect or another, with positive results over all. Given the breadth of the membership involvement I am asking for input to record our perspectives in preparing for a follow up meeting with the Town of Windermere

I have received comments from several members so far. If you have constructive ideas on what we can do for next year or what you think we learned this year, please let me know. We do know a few things at this point, some of which we can control, some not.

- Length of the event: might want to concentrate the event.
- Food Truck Night: Consecutive placement not a good idea
- Advertise that personal beverages are not allowed.
- Better coverage with the sound system.
- Change stage location to point into the traffic area, maybe facing out from the Annex building.
- Get Carl to do the MC again cause he did a great job.
- Keep the BBQ venders to under ten, but include other venders to flesh out the event.
- Don't make it so hot.
- It will never be a fundraiser so forget it and go back to something that looks like the Festival.
- Put Withers in charge, Fasen wasn't necessary to start with.

If you have a minute, send me your additional thoughts.

Thanks and heartfelt respect for all the hard work. S Fasen
