Rotary Club of Windermere Spring Festival – Members Call to Action

Our biggest, highest profile, and most profitable fundraiser of the year is coming up, April 17-19.

We need every member to get involved. It will be a great event for our community, our charities and Rotary exposure.

Involvement is simple and comes in several forms. The most important priority is securing sponsors. Sponsors can participate at three levels: $2,500, $5,000 and $10,000. Exhibitors can participate at several levels as well. Promotion materials and details are on the event website – www.windermereevents.com. If you haven't been on it, please check it out today.

The Spring Fest team has created the attached sponsor and exhibitor prospect list. Please review it and see if you have contacts or business with any of them.

You probably know many others that are not on the list. Please email Frank Krens with leads you are willing to contact and whether they are on the attached list.

Frank is the Prospect Gatekeeper. If a contact has not already been contacted, Frank will send you marketing materials and a marketing script. Once your contact has verbally committed, Spring Fest will handle the rest. It is that easy. A phone call to your prospect, or a meeting with them is all you need to do.

This Tuesday, January 13, our Spring Fest team will present. Louis Acosta and Posh Able will go through some marketing tips and lessons learned to date. The team will address any questions you have.

This is a very critical event and we appreciate everyone's efforts.

Thank you.
