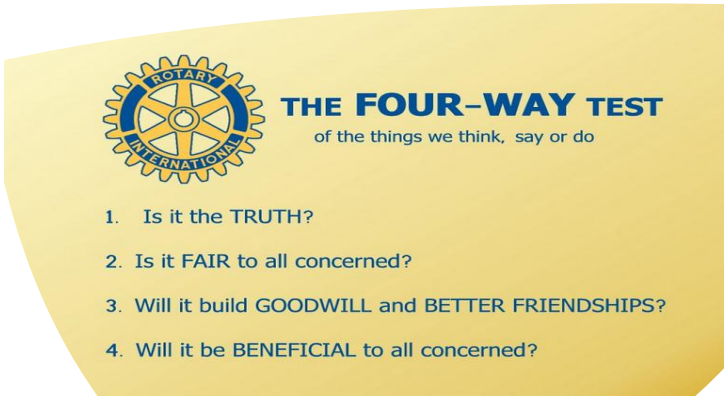
March 18, 2014

Meeting every Tuesday @ 6:54AM
Windermere Town Hall

Windermere Rotary Club Weekly Roundabout

Quote of the Week: **"I know for sure that what we dwell on is who we become."**

Oprah Winfrey



PROGRAM FOR THE WEEK:

Shepherd's Hope

Marni F. Stahlman

Marni has been the President/CEO of Shepherd's Hope (www.shepherdshope.org) since April, 2013. Shepherd's Hope Inc., is a 501c3, with 5 health centers and cumulatively has provided over 180,000 free, acute care and specialty care patient visits across Central Florida since 1997. In 2013, nearly 20, 000 patient visits and medical services were provided to low income, uninsured individuals and families. Since her arrival she has secured over 1 million dollars in revenue for the agency through Grants, Major Gift initiatives and Special Events. Prior to Shepherd's Hope, Marni was the Senior Director of Operations at United Cerebral Palsy of Central Florida (www.ucpcfl.org).

An almost Florida "native" since 1975, Marni was raised in Winter Park, and is a graduate of Winter Park High School. She is mother to her 6 year old daughter Lily Mae, trainer to the families 85 lbs. chocolate Labrador "Ellie" and has been married to her husband Paul for 9 years. She holds a B.S. in Psychology from the University of Tampa, a dual M.S. in Counseling and Psychology and Ph.D., ABD in Psychology.

A message from our President

Our Rotary Board has been discussing attracting and retaining new members to the Windermere Club. Marc Harris has taken on the task of investigating, creating and implementing our member ship plan. I am sure that his efforts will result in our reaching our new membership goals.

Rotary International President Ron D. Burton addressed the same membership concerns in a recent article in "The Rotarian". I want to share some of his thoughts with you. He suggested that we need to value our youth program participants and alumni as important members of the Rotary family, and we should place a special emphasis on service to children and families.

He goes on to say that we've spent a lot of time talking about how to attract young professionals to Rotary – but perhaps we haven't talked enough about why they don't stay.

These are young professionals who are already spending more time than they want to away from their families. No matter how much they love Rotary, they are not going to prioritize their Rotary service over their spouses and children. We can be flexible about meeting places and times to make Rotary service a viable option for those with young children. The family of Rotary is real. Those children are going to grow up seeing their parents involved in community service, and being involved in the Rotary club to help to nurture a new generation of active, service-minded young members.

ATTENTION! ATTENTION! ATTENTION!

- **Remember to Save the Date…July 1, 2014, Installation Dinner**
- **Bring your *comic papers* every week to George & Judy!**

PICTURES: You know who you are if you haven't sent me some family pictures so get busy! I need some Christmas pictures for next week and I know you all have some pretty decorations!

In 1996, the essence of the mission of Shepherd's Hope was born. Dr. William S. Barnes, Lead Pastor of St. Luke's United Methodist Church, was concerned that individuals and families within his Central Florida community were in need of medical care and services but because of circumstances was unable to afford it or was uninsured. Weaving together a handful of volunteer doctors, nurses, lay individuals, and Health Central Hospital, the Shepherd's Hope health center saw its first patient within six months at donated space at Westside Vocational Technical School. Committed to the mission to provide access to no cost healthcare for those most in need, at the end of its first year, 304 patients and 1,230 patient visits had been delivered to the residents of Central Florida.

Nearly 17 years later, Shepherd's Hope Inc., is a 501c3, has evolved to 5 free standing health centers (operating in donated spaces) and cumulatively has provided over 160,000 free, acute care and specialty care patient visits across Central Florida. In 2012, 20, 923 patient visits and medical services were provided to low income, uninsured individuals and families. These are individuals who otherwise might have gone without medical treatment or appeared in local area hospital Emergency Departments. Shifts in the financial resources available to Central Florida residents recently dramatically influenced the type of patient seeking services at Shepherd's Hope. They are the individuals and families that are employed but still unable to afford health insurance, may have at one time had health insurance and lost or discontinued coverage and are now going at risk.

The need for health care for the medically underserved and uninsured continues to grow.

Operating on a first come, first serve basis, each health center is open Monday – Thursday from 5:00pm – 9:00pm. Shepherd's Hope depends almost solely upon the generosity of its 2,000 physicians, ARNP's, nurses, medical technologists and clerical workers who volunteer their time so that any person regardless of their faith, gender or ethnicity has access to essential health care. Nationally recognized as an innovative healthcare model that leverages faith partnerships, hospital and diagnostic providers with teams of medical and support volunteers, Shepherd's Hope's inventive system spans disciplines, levels, functions and specialties delivering **free** efficient, high-quality, compassionate patient care. According to the Department of Health (annual reporting period of 7/2012 – 6/2013 for Orange and Seminole Counties), 3,151 Shepherd's Hope volunteers donated 44,658 hours at a value of $2,989,706.60.

Shepherd's Hope revenues are entirely dependent upon generous individual and corporate philanthropy and grants and receives no Federal or State funding. The organization has maintained a tight annual budget of $1,232,606, for the last two years of operations. In fact, each dollar donated, in 2012, realized a return on investment of $18.73 with 90 cents of each donated dollar going directly to patient care. A team of 20 paid staff is in place to provide leadership, operational support, development, and case management services so that volunteers are enabled to provide the best quality care to patients.

Rapid innovation and adaptation to the ever changing healthcare environment inspires the organization to create a collaborative, inter-dependent culture with solutions that cut across function and profession. What began as modest neighborhood collaborations has advanced to an elaborate weave of community partnerships to support the vision of substantially improving the health status of the medically underserved and uninsured population of Central Florida while reducing the impact of financial healthcare costs.

Shepherd's Hope has continued to offer a faith-based model of "caring people caring for people" for 17 years that improves the delivery and access of healthcare services to the medically underserved and uninsured of Central Florida.

Here WE go, here WE go!

This initial lead off is the same for all our events: The Rotary Club of Windermere, of which you are a member, needs everyone's involvement. This event will ask the same of you. *If you have a special vocational skill set, or influence with beneficial contacts, the club needs you to step up.*

If we do this together we will do this right. If we do this right it is a next generation event for our club. It is a win win for us and the town. Let's do this.

It begins NOW. Meetings will be held every Monday evening 6:00 PM at Red Eye Bar and Grill to start.

Rotary Club of Windermere Interact Clubs

As a member of our Rotary Club, you can support and participate in our Interact Clubs whenever you choose. Below is the schedule of their meetings and general location. Try to make at least one meeting with these energetic young students as it will make your day to see them at work! Call Bill Rose if you have any questions or suggestions. Let's see if we can assure them we are interested and care about what they are doing to contribute to the world.

Interact Meeting Schedules

West Orange High School: **Beulah Rd. Winter Garden**
Cafeteria Club Room
2nd and 4th Weds at 1:30pm

Foundation Academy: **15304 Tilden Rd. Winter Garden 34787**
Meets every Monday 2:30 to 3:00
in Sandra Smith's classroom #209

Olympia High School: **Apopka Vineland Rd. and Windermere Rd.**
Meets Tues or Thurs every two weeks
Classroom 610
(Call Bill Rose to confirm 321-217-7024)

High School Visitation Procedure for Rotarians:
Sign in at front office and receive instructions to meeting room.
If you want to be a long term volunteer,
complete on-line application in front office

West Orange Interact Club – "Service above Self"

"Service above Self" is the West Orange High School Interact Club's motto and words to live by. Interact, short for "International Action" is the high school level of Rotary International. The West Orange Interact Club is sponsored by the Windermere Rotary Club. Interact participates in a variety of service projects. The club volunteers every 2nd and 4th Wednesday of the month, after school, right after a meeting in the Cafeteria Clubroom. Volunteering opportunities include Health Central Park Nursing and Rehabilitation Center, The West Orange Boys and Girls Club, Edgewood Children's Ranch and various festivals and events in west Orange county. One of the most distinctive projects that West Orange Interact participates in is adopting a child from a 3rd world country through Compassion International. Jackline is the name of a young girl in Kenya that is currently being sponsored by Interact. While we donate only a small amount of money a month, to Jackline it is a huge blessing in her life to receive such help.

The West Orange Interact Club not only teaches students to give back to others, but encourages them to serve on their own as well as with the club. Members will learn leadership skills, understand good will, build better friendships and most of all, to serve the local community. Volunteer opportunities provide members with community service hours while having fun and making a difference.

New members are always welcome. Membership requirements include an application, parent permission, $10 fee, attend at least 3 meetings and volunteer. The number of members has grown tremendously over the years. The club has never seen so many active members, with hopes to grow even bigger as time goes on. This year's officers include: president, Jacquelyn Pritz; vice president, Michelle Chou; secretary, Tran Tran; treasurer, Ryyan Kassoo; hospitality chair, Pooja Surkanti, along with Sarah Porter, advisor and Joyce Rose, Rotary Club coordinator.

Tran Tran

Our Rotary Family

Interact Club Springs Forward

Students from the West Orange High School Interact Club sprung into action and volunteered at Health Central Nursing Care Facility on Wednesday, March 12. Students planted flowers in the resident courtyard and made springtime floral centerpieces for the dining room. Tracey Alfano (on the left) and Nicole Kimmel (on the right) show off their cheerful bouquets. Outside in the garden and ready to plant (from L to R) are Joyce Rose, Malikh Shrouder, Jacque Pritz, Jerry Van, Seyitcan Ucin, Gabrielle Levert, Julia Le, and Man Dao. Even one of Health Central's newest resident kittens, Ginger, helped supervise the planting.
