Meeting every Tuesday @ 6:54AM
Windermere Town Hall

Windermere Rotary Club

Weekly Roundabout

Quote of the Week: ***"The face is the portrait of the mind; the eyes, its informers."***

Latin Proverb

THE FOUR-WAY TEST
of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

PROGRAM FOR THE WEEK:

Dr. Amanda Stebbins

Medically Certified Optometrist

Dr. Amanda Stebbins received her Bachelor of Science degree from Wake Forest University in Winston-Salem, NC where she graduated with Honors and was a member of the Beta Beta Beta Biological Honors Society. She then received her Doctorate of Optometry degree from the University of Alabama School of Optometry in Birmingham, where she graduated with Honors and was a member of the Phi Kappa Alpha Optometric Honors Fraternity. She was an active member in the student government and the only member of her class elected to serve on the school's curriculum committee. She completed her internships in ocular disease and pathology at the Brevard County VA Clinic in Viera, FL and primary care at the Florida Eye Clinic in Winter Springs, FL. Dr. Stebbins opened her private practice, The Spectacle Shoppe, in the Dr. Phillips area in 2011. Dr. Stebbins is board certified for the treatment and management of ocular diseases and is a therapeutically licensed optometric physician. She is also one of a select few Medically Certified Optometrists in Central Florida. She is an active member of the American Optometric Association (AOA), Southern Council of Optometrists (SCO), Florida Optometric Association (FOA), and the Central Florida Society of Optometric Physicians (CFSOP). She is also a member of the Colorado Optometric Association.

Dr. Stebbins enjoys volunteering for both local and national charities including the Jeppesen Foundation, Camp Seale Harris for Children with Diabetes, and Lighthouse Central Florida. She has participated in numerous health fairs where she helped educate the public about the importance of comprehensive eye care in the detection and prevention of disease. Originally from Alpharetta, Georgia, Dr. Stebbins and her family have lived in Orlando since 2001. In her spare time, she enjoys spending time with her husband, Andrew, and their daughter Breckin (6) and son Cooper (4). She also enjoys traveling, snow skiing, and outdoor activities and is an active member of her church and local community.

A message from our President

On Wednesday August 30 the Board and many of the Committee Chairs spent the evening working on a budget and schedule for the next year. It was very productive and we all learned a lot. This is a summary of decisions made that will be presented to the Club on Tuesday.

Frank Krens was voted to be the Board Member for Voactional Service. He will continue to work with Bill Rose on many of the Youth Service responsibilities he has taken on. Please congratualte Frank.

The Board decided to keep the initiantion fee at $100, the Club dues at $75 per quarter, full meals at $100 per quarter and juice and coffee as an laternative at $56 per quarter.

The three fund raisers remain the Lobster Luau – which we all need to support; a golf event and the Festival.

The Board agreed that the Service fund shall budget $39,891 for charitable giving as based on the Club Policies to spend the monies earned from the previous year's fundraisers.

The Board also voted on a list of criteria that will be applied to our giving. We voted to use Happy Dollars to support the Service Fund for small miscelanius giving.

Given the funds available the following organizations will receive our support:
Home at Last, Edgewood Children's Ranch, Nehrling Gardens, Oakland Nature Preserve, The School Backpack Project, 4-Way Essay Contest, Interact Scholarships, Interact Advisors Fund, RYLA Sponsorships and others to be determined.

Thank the Board for hard work and compromise to get this done.

We also aproved a series of active Club Socials you will hear about next week.

In Rotary Service - Stephen

ROTARY MEMBERSHIP MONTH

How do I find new members?

Rotarians join and stay with their clubs primarily because they seek opportunities for community service, fellowship, and friendship. Many of the non-Rotarians you know are looking for the same things. Invite them to help with your service projects, attend a networking night, or participate in a club get-together and help them see for themselves how Rotary connects leaders to make a positive change.

Here are some potential candidates to consider for membership:

- Friends and family members
- Business acquaintances
- Professional colleagues
- Younger community leaders who are already connected to Rotary through Rotaract, RYLA, peace fellowships, Youth Exchange, and other programs

Marc Harris attended the District's Membership training last Saturday. Here are some ideas for us all to ponder:

- Recruit members for Rotary, not necessarily our club.
- Quality not quantity was stressed.
- I was shown a business/meeting-invitation card, 400 of which I ordered this week for a whopping $40.
- District goal for membership is "Net ONE", meaning one more at the end of the year than each club had at the beginning of the year. There will be a contest to achieve more. WE NEED TO DO MUCH MORE!
- I was asked to and briefed everyone on our updated Red Badge program. Many clubs do not have a Red Badge Program.
- We spoke about the **Rotary Compass** as a recruiting aid for members, and **Seven Steps to a Sexy Rotary Club** (copies of both are attached). August is Membership Month and I hope to speak about both.
- It was suggested that one club meeting a month or every 2 months be set aside as a recruiting session, where members can bring potential new members. Apparently, recruiting works better when more than one recruit is in attendance.
- There was a short discussion of Fireside chats, and those who spoke thought that generally agreed that, with all the info available on the internet, they were not as important as they once were as a tool to convey information about Rotary.
- District setting up a M-Squad to help clubs with membership problems.
