Message from the President

Fellow Rotarians,

Another week has passed and a tragic event has happened in our community. As far as our Rotary Club members are concerned, we have been blessed with no casualties. I was very happy to see the long line of people standing in line after I gave blood Sunday. So, a special thanks to everyone who gave blood.

Just to remind everyone, there will be no meeting next Tuesday as the installation of officers is Monday evening. That will count as our regular meeting. Please plan on attending and give your support to your new officers plus enjoy a fun evening of fellowship.

Remember, there is going to be a golf tournament, our golf tournament, on September 30th at Metro West Golf Course. Please get your foursome together and register it with Jim. Hole sponsorship signs and silent auction items will help make the event even better so see what you can to bring these items to our event.

Again I want to thank everyone for their support. Have a great week!
Darrell

"Traumatic events destroy the sustaining bonds between individual and community. Those who have survived learn that their sense of self, of worth, of humanity, depends upon a feeling of connection with others. The solidarity of a group provides the strongest protection against terror and despair, and the strongest antidote to traumatic experience."

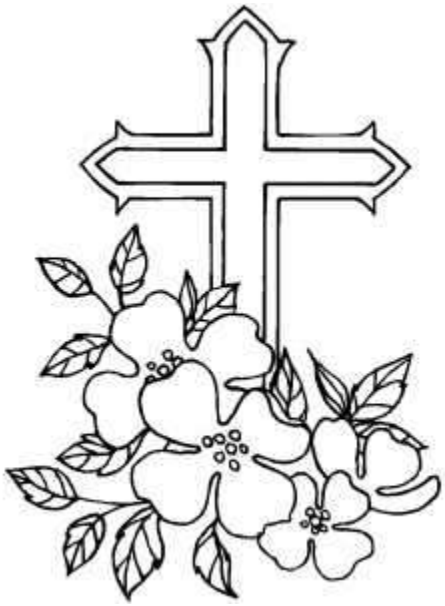
OUR ROTARY FAMILY

Tragedy: A massive shooting at popular Orlando gay nightclub Pulse left 50 people dead and 53 hospitalized on Sunday, June 12.

The shooting, which began around 2 a.m., has been labeled an "act of terrorism," and has thus far been determined unrelated to the shooting death of *Voice* alum Christina Grimmie one night earlier. "It appears he was organized and well prepared," Orlando police chief John Mina said at a morning news conference, adding that the shooter had an assault-type weapon, a handgun and "some type of device" on him at the time. Shortly after shots were being fired in the nightclub, Pulse posted a note to its website that read, "Everyone get out of Pulse and keep running." The venue was packed with about 320 people at the time of the shooting, according to the Orlando Sentinel.

"People on the dance floor and bar got down on the floor and some of us who were near the bar and back exit managed to go out through the outdoor area and just ran," Ricardo Negron Almodovar posted on the club's Facebook page. "I am safely home and hoping everyone gets home safely as well."

The FBI is currently involved with the investigation. Police have positively identified the killer as Omar Mateen.



Our prayers and thoughts go out to all the victims, their families and friends of this horrific tragedy that occurred here in our own home town. Let us join together and recognize the importance of supporting these victims and coming together as a community to survive this severe attack on us as Americans. Let us move forward, being strong and resolved to win this war waged against Americans and our principle of life: Freedom!
