PROGRAM FOR THE WEEK:

George Poelker

Talented Wood Craftsman

George Poelker was born in Washington, D.C. and grew up in Seabrook, MD, about half-way between Washington and Annapolis. After graduating from Duke University he entered the US Navy as a Naval Aviator. After two tours of duty, he became a commercial pilot and continued his Naval career in the Reserves.

Along the way he became way too educated, gaining Masters degrees in both business management and environmental management.

He now flies the Airbus 330 aircraft for Delta airlines.

And, he has become a talented wood working craftsman – making beautiful things! Thanks, George.

MESSAGE FROM THE PRESIDENT

Fellow Rotarians,

Tomorrow morning we have a real treat as our own George Poelker talks to us about his wood crafting. He has done some incredible pieces, like our badge box, his kitchen cabinets and many other things he will share with us. You know, I am asking everyone to pick a date and come up with a speaker for that date. We have arranged a few but many of you have not committed for that date yet. George, for example, has arranged a speaker and volunteered to be a speaker. We have too many empty spaces on the sheet so please, sign up and give us a hand. After all, it is your meeting and if you want good speakers, this puts you in control! We are all set with all the Board positions except the President Elect. We cannot go through the year without this important position – the one who will run the Club next year. So, please give it some serious thought. It is the future of our Club.

*Yours in Rotary and **Cheers!** Norma.*

Rotary President-elect Sam F. Owori dies

Rotary International President-elect Sam F. Owori died unexpectedly on 13 July due to complications from surgery.

Sam was a member of the Rotary Club Kampala, Uganda, for 38 years.

"Rotary has become a way of life for me – with the intrinsic value and core belief in mutual responsibility and concern for one another as a cornerstone," Sam said when he was nominated last year.

Sam & his wife Norah at RI Convention

"I feel immense satisfaction knowing that through Rotary, I've helped someone live better."

Sam's term as Rotary's 108th president would have begun on 1 July 2018.

"Please remember Sam as the outstanding, hardworking Rotarian he was," said Rotary International President Ian Riseley. "In this difficult time, I ask you to keep his wife, Norah, the Owori family, and Sam's millions of friends around the world in your thoughts."

Under Sam's leadership, the number of clubs in Uganda swelled from nine to 89 over the course of 29 years.

Sam saw in Rotary members "an incredible passion to make a difference," and wanted to "harness that enthusiasm and pride so that every project becomes the engine of peace and prosperity."

Sam was the chief executive officer of the Institute of Corporate Governance of Uganda, whose mission is to promote excellence in corporate governance principles and practice in the region by 2020. Previously, he was executive director of the African Development Bank, managing director of Uganda Commercial Bank Ltd., and director of Uganda Development Bank. He has also served as corporate secretary of the Central Bank of Uganda.

He served as member and chair of several boards including FAULU (U) Ltd., (now Opportunity Bank), the Uganda Heart Institute, the Centre for African Family Studies, Mulago Hospital Complex, Mukono Theological College, and the Kampala City Council.

Sam also was the vice chair of Hospice Africa Uganda, and board member and chair of the Audit Committee of PACE (Programme for Accessible Health, Communication, and Education) in Uganda.

"Sam was a special person in so many ways, and his unexpected death is a huge loss to Rotary, his community, and the world," Riseley said.
