## Rotary Club of Windermere

The Rotary Club of Windermere has created an online registry for our Military heroes (active, retired, deceased) who are either from the local area or who are family and/or friends of area residents. Our goal is to create a respectable list of our Military service men and women online then to record these names and dates into a quality book to be put on public display in the Windermere Library. The site is ready now, although we will continue to enhance and improve it as we see entries generated. The link is <http://windermereveterans.com>. The cost is \$50 per entry. If you have a loved one who served or is currently serving, please consider honoring them by adding them to this registry as a record of our local military history. Thank you.
