Rotary Club of Windermere

The Rotary Club of Windermere has created an online registry for our Military heroes (active, retired, deceased) who are either from the local area or who are family and/or friends of area residents. Our goal is to create a respectable list of our Military service men and women online then to record these names and dates into a quality book to be put on public display in the Windermere Library. The site is ready now, although we will continue to enhance and improve it as we see entries generated. The link is <http://windermereveterans.com>. The cost is \$50 per entry. If you have a loved one who served or is currently serving, please consider honoring them by adding them to this registry as a record of our local military history. Thank you.

Please bear with us as we work through the kinks with the new website!

Mission National Veterans Wheelchair Games

The National Veterans Wheelchair Games is co-presented between the Department of Veterans Affairs and Paralyzed Veterans of America. The Games serve Veterans with Spinal Cord Injury, Multiple Sclerosis, Amputations and other central neurological impairments with the goal to increase their independence, healthy activity and quality of life through wheelchair sports

and recreation. Veterans are being exposed to wheelchair sports at their home VAMC or PVA Chapters as part of their rehabilitation to improve function, independence and getting them active in their home communities in sport and fitness.

The Wheelchair Games. From July 30 – August 4, 2018, the Paralyzed Veterans of America Central Florida Chapter and the Orlando VA Medical center are hosting the 38th National Veterans' Wheelchair Games held at the Orange County Convention Center, in Orlando, Florida. Over 725 wheelchair-bound veterans, the largest number of wheelchair athletes ever to participate in the games will be coming to our area to compete for five days in 19 different sporting events. The event is free to the public and all are welcome.

The games focus on improving the quality of life for veterans with physical disabilities and for fostering better health through sports and recreation.

District 6980 is supporting the event as a combined club service project and is asking for funds and volunteers. They are asking for volunteers to greet the athletes, their caregivers, and families as they arrive at Orlando International airport on Sunday July 29, 2018. Karen and I plan to volunteer, and we welcome any of you who are willing to join us. Please sign the signup sheets forum at each table if you are available to volunteer and we will submit the names to the District. In addition, we will be discussing a contribution with the board at the next meeting on July 26.

Don is in touch with the coordinator and looking for volunteers.
