Windermere Rotary Club

Weekly Roundabout

Quote of the Week: **“When you can't make them see the light, make them feel the heat.”**

Ronald Reagan

THE FOUR-WAY TEST
of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

PROGRAM FOR THE WEEK:

**District Governor
2018-2019
Ron Janssen**

Ron Janssen is a notable Rotarian and is now our District Governor. He has over 27 years in Rotary and says:

“As I look back over the past 27 years Rotary has been slowly changing me, but the opportunity you have given me to be your governor and the resulting things I have learned, experienced and seen have had a profound and lasting change on my life the way I see things.”

He is Paul Harris Fellow +8, Paul Harris Society Benefactor, Bequest Major Donor, Past President and Rotarian of the Year: 1992 – 1993.

MESSAGE FROM THE PRESIDENT

Fellow Rotarians,

Please join us this week to welcome Ron Janssen, the District Governor, to help us kick off the new year.

The planning session last week set the stage for the activities we have planned for the year, and I encourage you all to plan to participate in the area of service in which you have the most interest. We will be sending each of you the planning summaries prepared by the service area chairmen, and I ask that each of you pick a committee to join.

Yesterday we served meals at the Ocoee Christian Center, and I want to thank Todd for putting the event together, and for everyone that volunteered to help.

The next event scheduled is the District 6980 University training at the Rosen Center on July 21 from 8 – 12. There are 7 members scheduled to participate. Thanks for all you do.

Yours in Service Don

Rotary Club of Windermere

The Rotary Club of Windermere has created an online registry for our Military heroes (active, retired, deceased) who are either from the local area or who are family and/or friends of area residents. Our goal is to create a respectable list of our Military service men and women online then to record these names and dates into a quality book to be put on public display in the Windermere Library. The site is ready now, although we will continue to enhance and improve it as we see entries generated. The link is <http://windermereveterans.com>. The cost is \$50 per entry. If you have a loved one who served or is currently serving, please consider honoring them by adding them to this registry as a record of our local military history. Thank you.

Please bear with us as we work through the kinks with the new website!

Mission National Veterans Wheelchair Games

The National Veterans Wheelchair Games is co-presented between the Department of Veterans Affairs and Paralyzed Veterans of America. The Games serve Veterans with Spinal Cord Injury, Multiple Sclerosis, Amputations and other central neurological impairments with the goal to increase their independence, healthy activity and quality of life through wheelchair sports

and recreation. Veterans are being exposed to wheelchair sports at their home VAMC or PVA Chapters as part of their rehabilitation to improve function, independence and getting them active in their home communities in sport and fitness.

The Wheelchair Games. From July 30 – August 4, 2018, the Paralyzed Veterans of America Central Florida Chapter and the Orlando VA Medical center are hosting the 38th National Veterans' Wheelchair Games held at the Orange County Convention Center, in Orlando, Florida. Over 725 wheelchair-bound veterans, the largest number of wheelchair athletes ever to participate in the games will be coming to our area to compete for five days in 19 different sporting events. The event is free to the public and all are welcome.

The games focus on improving the quality of life for veterans with physical disabilities and for fostering better health through sports and recreation. District 6980 is supporting the event as a combined club service project and is asking for funds and volunteers. They are asking for volunteers to greet the athletes, their caregivers, and families as they arrive at Orlando International airport on Sunday July 29, 2018. Karen and I plan to volunteer, and we welcome any of you who are willing to join us. Please sign the signup sheets forum at each table if you are available to volunteer and we will submit the names to the District. In addition, we will be discussing a contribution with the board at the next meeting on July 26.

Don is in touch with the coordinator and looking for volunteers.

*Nice people live longer,
are healthier,
and make more money.*

1. Positive Impressions Are Like Seeds

Every time you smile at a messenger, laugh at a co-worker's joke, thank an assistant, or treat a total stranger with graciousness and respect, you throw off a positive energy wave that rolls out endlessly in all directions.

2. You Never Know

You never know who the next person you're nice to knows or how they ultimately may connect back to you in some way. It is therefore, important to **treat EVERYONE nicely**. Simply make it a habit not to discriminate when it comes to being nice to others.

3. People Change

People change, grow, and take on new roles. None of us know who MIGHT become quite important to us five, ten, or twenty years from now. Again, the simple message is to **treat everyone with kindness** – the bank teller, the grocery store check-out clerk, the young waiter who is paying his way through school to become a doctor. Planting seeds of kindness each and every day always makes you happier.

4. Nice Must Be Automatic

It's important to become skilled in the art of being nice – being nice must become a habit – something that is “second nature” to you. Small gestures and random acts of kindness can have an enormous impact. You never know what the ‘story’ is behind the face you see...with no judgement, **just be nice**.

5. Negative Impressions Are Like Germs

Just as positive actions are like seeds, rude gestures and remarks are like germs – you may not see the impact they have on you for a while, but they are there, silently infecting you and everyone around you.

6. YOU Will Know

Even if you never see a person you have treated with rudeness or bad behavior again, YOU will know. It will be on your mind and heart when you walk into a meeting and try to convince the people in the room they should put their faith in you. Your belief in yourself will be compromised and the negative energy you carry with you will ultimately manifest in some way to your disadvantage.

Be the role model for being nice to others. The energy of consistently being nice to others will return to you many times over - in your health, in your business and simply making the world a better place.

Be the role model for being nice to others. The energy of consistently being nice to others will return to you many times over - in your health, in your business and simply making the world a better place.

That is the *POWER* of nice.

OUR ROTARY FAMILY

Doug Trovillion's food-truck events span five counties in Central Florida — from a monthly roundup in Celebration (Osceola County) to a quarterly gathering in New Smyrna Beach (Volusia).

The 56-year-old has been organizing Kona Food Truck Luaus, which can sometimes bring in 40 or more mobile kitchens, since 2011. He holds 11 monthly, six quarterly and seven special events, as well as organizes the food trucks for the Orlando Magic and Orlando City Soccer games.

“I’m still having fun with it,” Trovillion said. “It keeps me young. It is hard work, but I’m not afraid of hard work.” He tries to rotate the type of trucks and meal styles at each event. Coordinating with 100-plus business owners can be a little like “herding cats,” said Trovillion, a food-truck owner himself.

Trovillion gives new-to-him vendors a trial period at smaller rallies to get them through “the learning curve.”

“They don't realize how much work it is to be consistent,” he said.

Trovillion loves to watch as each food-truck grows, hones in on its concept and eventually becomes a brick-and-mortar business.

“It’s a nice little family,” he said.

And, on Saturday, August 18, Doug will take his hot dog food truck to Edgewood for the kids to have Hot Dog day – which they truly love! Windermere Rotary will bring the drinks so put it on your calendar. Thank you, Doug!
