### MEETING AT BAPTIST CHURCH GYM

Today’s meeting is a planning meeting to work on our upcoming events.

Last year we had a combination of bad luck, bad weather, low attendance and lack of fund raising along with some great events like the Veteran’s Day and Magic Lobster.

This year we need to combine our efforts to have both the great events and raise some monies!

Please prepare to come with great ideas and willingness to jump in to make these events successful in all ways.

# MESSAGE FROM THE PRESIDENT

**Fellow Rotarians,**

Remember we will be meeting at the **Baptist Church** gym for breakfast and our meeting this Tuesday morning.

I want to thank Karen, Joyce, Mike, Norma, Byron and Frank for supporting and attending the cookout / swim party at the Hairston's for the new Interact officers and their respective school faculty sponsors from Olympia and West Orange High Schools last Wednesday. This joint Interact club meeting was scheduled to encourage sharing of ideas and collaboration between the two schools. The event was well attended, and it appears the Interact year is off to a good start.

Hopefully we will all sign up with the **INVENTORYpro** software to protect our belongings from hurricane or fire losses. Thanks, Dan, for bringing that to us.

On Saturday, **August 18**, we will be providing hot dogs (thank you, Doug) for the children at Edgewood ranch. The event starts at noon and should last a couple of hours. We encourage everyone to come out and meet the children and enjoy the party. We need to bring some coolers with drinks for them so if you can volunteer to bring some, please let us know.

Our next fundraiser, a golf tournament, is scheduled at MetroWest on Sept 29. David will be talking to you more about what all is needed but be sure to put it on your schedule and invite friends and sponsors to help.

Thanks for all you do.

**Yours in Service Don**

## Rotary Club of Windermere

The Rotary Club of Windermere has created an online registry for our Military heroes (active, retired, deceased) who are either from the local area or who are family and/or friends of area residents. Our goal is to create a respectable list of our Military service men and women online then to record these names and dates into a quality book to be put on public display in the Windermere Library. The site is ready now, although we will continue to enhance and improve it as we see entries generated. The link is <http://windermereveterans.com>. The cost is \$50 per entry. If you have a loved one who served or is currently serving, please consider honoring them by adding them to this registry as a record of our local military history. Thank you.

## Three New Interact Programs for this Year

Another year has come to an end for the Districts Interact and Earlyact Students. The year started with a Youth Conference at Lake Nona High School with many of the district schools represented. We'll be looking to repeat that program in the new year. We saw many Purple Pinkies as interactors raised money for Rotary's war on Polio. *Polio Sucks* became the battle cry of the High Schools that were selling lollipops for the same cause. We had a very successful RYLA at the Elks Camp in Umatilla with almost every school represented. Shelter Boxes, Non-perishable food items and cash were sent to the victims of the hurricanes that went through the Caribbean Islands and Houston. It was wonderful to see our students step up to these terrible events that occurred this past year.

As the new year starts, there will be three newly developed programs that should capture the imagination of the clubs as they plan their year. These programs have been approved by DG Ron to participate in this year. The first involves the club designing its own banner and having it carried to the top of Mt Everest. The second will be a digital representation of club banners into space and retuned. The third program concerns an Anti-Bullying Program piloted at Leesburg High School this past year. The details of these programs are too numerous to outline in this article. The point of contact for all three is Rotarian David van de Velde of the Leesburg Rotary Club. His contact information is:

Leadership is all about other people: helping them achieve their aspirations and alleviating their difficulties so that they can take flight in freedom and without fear. .... as leaders, we are like caring gardeners who tend their flower beds with love and care and firmness, all at the same time enabling the seed of talent and capability to germi-nate and grow to bear great flowers and fruits..."

*RI President Kalyan Banerjee, February 2011*
