MESSAGE FROM THE PRESIDENT

Fellow Rotarians,

Thanks to Frank, Judy and Mike the Monday night open house is not tonight, but tomorrow evening at the Fernwood Park (Town boat dock). The plan is to have several boats, all stocked with food and drink, and cruise the lakes for an hour before the Disney fireworks show. So, plan to come enjoy the social time with Rotarians and see the spectacular evening on the lake. Details above but if you have questions, call Frank at 407-443-5212.

As you know, our golf tournament is this **Saturday and we still have room (and need) more players so please don't stop recruiting for them now! We have made a commitment, so we are there. Come enjoy the day even if you don't play. We have some great raffle items, a nice lunch and some things to do to help the players enjoy as well.**

Byron attended the President's Leadership meeting on Saturday and learned some new things and got some great ideas, which we will discuss at our next meeting.

Yours in Service

Norma

Rotary Club of Windermere

The Rotary Club of Windermere has created an online registry for our Military heroes (active, retired, deceased) who are either from the local area or who are family and/or friends of area residents. Our goal is to create a respectable list of our Military service men and women online then to record these names and dates into a quality book to be put on public display in the Windermere Library. The site is ready now, although we will continue to enhance and improve it as we see entries generated. The link is <http://windermereveterans.com>. The cost is \$50 per entry. If you have a loved one who served or is currently serving, please consider honoring them by adding them to this registry as a record of our local military history. Thank you.

GOLF TOURNAMENT

Our **golf tournament** is scheduled at MetroWest on **Saturday, Sept 29**. Above are the flyers which are also on the web page. Please invite family, friends and sponsors to help. Mike and Doug will also be posting the event on Face Book and other media. I will be meeting with the other Presidents in our area next week and will distribute flyers, asking each of them to solicit players. David and I will also visit other clubs, Please take a flyer with you if you can attend another Rotary meeting in the area.

We need players: Everyone that plays golf please sign up and invite your neighbors and golfing friends to sign up as well. Our goal for the year is to have 100 players.

We need sponsors: Everyone that is working, or owns a company, or has contacts with a company, or wants to personally participate – please ask or decide to be a sponsor. This is the primary way we make money on this event.

We need gifts: We hope to raffle off items to the players, and provide door prizes for our guests plus provide a goodie-bag for each player. Our Interact members have volunteered to stuff the goodie-bags before the event, so we need to get these items to Norma as soon as possible. Golf balls and tees are particularly helpful. Mike has agreed to be the repository for gifts and applications and sponsor letters, so please get these items to him as soon as you get them.

Dear fellow Rotarians,

[FROM FOUNDATION CHAIR AT RI](#)

The work that Rotary does, with the support of The Rotary Foundation, is not abstract. It is real, and it changes the lives of real people, in ways that are so fundamental that it's hard to explain. You have to see it for yourself. And when you understand the Foundation's power to transform, you can't help but become passionate about it.

When I became a district governor in 1987, Rotary's largest-ever fundraising campaign at that time was underway. We were raising money to fight polio. In those days, poliovirus ran rampant. We had 350,000 cases in more than 125 countries in 1988. Also that year, Rotary and some partners founded the Global Polio Eradication Initiative. As we all got to work fighting polio, real progress began to happen. Thanks to our commitment, since then, cases of polio have been reduced by more than 99.9 percent. We're witnessing history, and the Foundation is part of that real change.

There are countless other ways the Foundation changes real lives — families who enjoy clean water thanks to a global grant, or children who learned to read through a literacy project funded by a district grant. Today in Rotary, we have opportunities to change the world like never before, if we choose to rise to our own potential.

The Rotary Foundation is the way Rotary accomplishes amazing things on a global scale. The Foundation is there for us now, and will be there for the talented and dedicated Rotarians of the future. They will look back at our work today, if we do it right, and thank us for leaving them with a legacy to help fix the problems of their time.

Giving to the Foundation is the way we make all of these dreams — today's and tomorrow's — possible. For me, true philanthropy is not measured by the size of one's gift but rather by the gift in relation to one's financial ability. Imagine the impact we could make if each and every Rotarian gave whatever they could today.

We Rotarians care about service and giving back. We are also careful planners. Donating to The Rotary Foundation is, without a doubt, a wise investment. For 10 years straight, our Foundation has received the highest possible score from the independent evaluator Charity Navigator, for its strong financial health and its commitment to accountability and transparency.

Let's reaffirm our commitment to tangible change in the world by mobilizing everyone in our clubs and districts to [support The Rotary Foundation](#) generously today. Though we may never know who our gift helped, we will be sure that our donation was invested well and the impact of our gifts was real.

Sincerely,

Ron D. Burton, Rotary Foundation Trustee Chair
