Weekly Roundabout

Quote of the Week: “Bone marrow is the spongy tissue inside some of your bones, such as your hip and thigh bones. It contains stem cells. The stem cells can develop into the red blood cells that carry oxygen through your body, the white blood cells that fight infections, and the platelets that help with blood clotting.”

THE FOUR-WAY TEST

of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

PROGRAM FOR THE WEEK

Rhonda Kucharsky

Rhonda Kucharsky is the founder and President of the Paul Chapo Foundation. Locally and nationally, the Paul Chapo Foundation is a vocal advocate for those who have been diagnosed with Leukemia and other blood cancers. In honor of its namesake, we donate college scholarships to deserving scholar-athletes of Southgate Anderson High School.

She has 22 years' experience in the defense industry in various roles within the Logistics and Sustainment Engineering organization as well as within Program Management with increasing areas of responsibility.

She is the Founder and Chairman of the Paul Chapo Foundation, a non-profit organization whose mission includes awarding college scholarships, providing contributions for leukemia research and campaigning for the National Bone Marrow Registry. Her husband is a retired Lockheed Martin employee and together they live in Orlando, FL with their two teenage children and three dogs.

MESSAGE FROM THE PRESIDENT

Fellow Rotarians,

We had another nice Monday evening open house social with great food and drink. The only thing is we need to invite more visitors to get to meet us and learn more about our club and Rotary in general. Since membership is important, we need to use this open house to grow in order to increase our contribution to our community and the world! Please give it some thought and think about who you might invite next time. Remember our Christmas party is on a Monday night, December 17th so we will not have a meeting the following Tuesday morning. The season is upon us!

Yours in Service Norma (for Don)

Rotary Club of Windermere

The Rotary Club of Windermere has created an online registry for our Military heroes (active, retired, deceased) who are either from the local area or who are family and/or friends of area residents. Our goal is to create a respectable list of our Military service men and women online then to record these names and dates into a quality book to be put on public display in the Windermere Library. The site is ready now, although we will continue to enhance and improve it as we see entries generated. The link is <http://windermereveterans.com>. The cost is \$50 per entry. If you have a loved one who served or is currently serving, please consider honoring them by adding them to this registry as a record of our local military history. Thank you.

What is Polio Plus?

The “plus” initially refers to the additional vaccines administered along with the polio vaccine. Today, it also reflects the fact that the infrastructure, fundraising, and advocacy methods developed for the polio eradication campaign also support efforts to fight other infectious diseases.

- Monday 17 Dec 2018 6-9 pm at Town Hall
- Bring a small gift, no more than \$20, wrapped, to exchange.

This could be a serious gift or a gag gift.
You never know what you will end up with!!

- Bring your spouse or significant other, of course.

OUR ROTARY FAMILY

My Alaska family survived the big earthquake but the kids are out of school now for several weeks due to severe damages in many of the schools. So, while the Colonel is working 24/7, the kids are bored but happy!

Anneke because she got her braces off!

Daniel (I think!?) because it's Christmas!
