MESSAGE FROM THE PRESIDENT

Fellow Rotarians,

What a big weekend! Arbor Day was a great success – selling out of hamburgers and hot dogs and seeing a great crowd enjoy the trees and activities of the event. Good turn out on Sunday as well for serving the Ocoee Christian Center. Thanks to all who participated. And, great LPGA golf tournament over the weekend. Thanks so much to Louis Acosta for all the tickets. It was beautiful weather to be out – oh, except Sunday man See pictures below. Next event now is our Lobster event on Saturday, **February 16th**. We really, really need to sell all the tickets in order to raise some funds for our service projects. Place holder as well for **February 23rd** for Olympia Interact working at Second Harvest. They need us to support this event so sign up to work at <http://olympiahighschool.shfbcf.volunteerhub.com/>

Tonight is our open house so please come, bring your family, friends or neighbors who would like to get to know us and more about Rotary.

BE THE INSPIRATION

[Rotary Club of Windermere](#)

The Rotary Club of Windermere has created an online registry for our Military heroes (active, retired, deceased) who are either from the local area or who are family and/or friends of area residents. Our goal is to create a respectable list of our Military service men and women online then to record these names and dates into a quality book to be put on public display in the Windermere Library. The site is ready now, although we will continue to enhance and improve it as we see entries generated. The link is <http://windermereveterans.com>. The cost is \$50 per entry. If you have a loved one who served or is currently serving, please consider honoring them by adding them to this registry as a record of our local military history. Thank you.

Please bear with us as we work through the kinks with the new website!

Dear Rotary Members,

Tickets are available for sale for the **Lobster and Laughter** event to be held on Saturday, **February 16th** at the Town Hall. We have 120 seats at best. Todd has the website ready for on-line purchases and, last I checked, 4 tickets have been sold on line.

Please purchase your lobster tickets for your own use and take additional tickets to sell.

You can pay for your tickets by check or credit card at the meeting and you can buy them with your credit card or PayPal account on our website at:

www.windmererrotary.org/lobster

Please note: Tickets that you take and haven't sold must be returned by **February 5** so we can check our progress and allocate the unsold tickets to others.

Let's kick-start this event and make it a success! Sales are coming in now and Byron has sold 20 so far! Let's hope the count is higher in the morning.

Subject: Good Morning From Maracaibo

Dear Rotary fellow

Almost a year ago I sent a letter to all the presidents and secretaries of the Rotary clubs requesting them to ask their club members if they could receive an exchange student from district 4380 (West of Venezuela). The response was successful, since all those who applied today are sharing homes in South America, Europe and even in the Philippines. This has been very important for us, since the young people who returned from their previous stay are laying the foundations for the growth and multiplication of the Interact clubs and future Rotaractors, the main school for future Rotarians.

In contact with the host families of our Outbounds about their experience with our young people, they all found themselves delighted with them, for their education and spirit of collaboration.

For all this we have only to give a very big THANK YOU for this help that you have given us, since the word "exchange", for now it is very difficult to pronounce it in Venezuela. We will know how to thank with generosity at its opportune moment.

This year we are overcoming the challenge as 71 applicants are preparing to travel next year. While it is true that we already have 03 places that were offered for the 19-20 cycle, we need to reapply that, if any member of your club could receive one of our exchange students, contact the chairman of the district so that, together with ours, they can prepare the stay with a family from your club.

It should be noted that the young people we select for this activity are the most qualified, with healthy habits, they do not smoke, they come from families of professionals and they stand out for their application to study and a good level of education.

I thank you for the attention you give us in receiving this letter and we will appreciate what you could do for our young people.
