## Weekly Roundabout

**Quote of the Week:** “The I-4 Ultimate project is a 21-mile revamp of Orlando's main interstate. Changes include adding two tolled express lanes in each direction, reconstructing the entire roadway, replacing 150 bridges and reconfiguring 14 interchanges.”

*Orlando Sentinel*

**THE FOUR-WAY TEST**  
of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

## MESSAGE FROM THE PRESIDENT

Fellow Rotarians,

I certainly hope everyone has had a wonderful holiday season and break from the routine but that you are ready to get back into it! We had a fabulous fun Christmas party with great food and fun exchanging gifts. We had a good box full of toys that George delivered for the Toys for Tots and enjoyed socializing with all. Thanks to everyone who contributed!

Our Lobster event is now less than 6 weeks away so we need you all to kick into high gear and sell those tickets. We have 120 seats at best and our goal is to be sold out. That will get the attention and focus on our event for the future. Please check out below the message from the chairs Andy and Frank.

We have a speaker in the morning that will be interesting to all as it concerns the I-4 project and traffic! Do try to come here him.

Yours in Service Norma (for Don)

Roads are necessary, but the fact that we don't fully recognize that when you build a road you're doing more than building a road - you're building the future development of your city. And, that's what's never dawned on people. It still doesn't, in a way.

## [Rotary Club of Windermere](#)

The Rotary Club of Windermere has created an online registry for our Military heroes (active, retired, deceased) who are either from the local area or who are family and/or friends of area residents. Our goal is to create a respectable list of our Military service men and women online then to record these names and dates into a quality book to be put on public display in the Windermere Library. The site is ready now, although we will continue to enhance and improve it as we see entries generated. The link is <http://windermereveterans.com>. The cost is \$50 per entry. If you have a loved one who served or is currently serving, please consider honoring them by adding them to this registry as a record of our local military history. Thank you.

## OUR ROTARY FAMILY

Our sympathy and prayers go out to [District Governor Ron Janssen](#) who lost his beloved wife Sue on December 28<sup>th</sup>. Ron is a longtime friend and supporter of our club and Sue visited with him many times. Our heart goes out to him and to all who suffer the dreadful disease Alzheimer's. Ron included the prayer below in her celebration of life program along with their picture.

Sue was born to Benjamin McCoy Holt, Jr. and Georgia Smyer Holt on September 15, 1938 in Webb City, MO. Sue graduated from Webb City High School in 1956 and went on to receive her Bachelor's degree in Education from University of Missouri and her Master's from the University of Colorado. For most of her professional career, Sue taught high school physical education and coached girl's team sports. Sue was also, personally, active in many sports. One of her greatest loves was snow skiing, and it was in the Kansas City Ski Club that Sue met her future husband, Ron. They married in 1974 and resided in Kansas City, MO until Ron's employer, Eastman Kodak, transferred him to Rochester, NY. It was in Rochester that Sue obtained her second Master's degree in Tourism and Hospitality Management

from Rochester Institute of Technology, and later put the degree to good use when she and Ron opened a very successful frozen custard shop in Pittsford, NY. In 1991, Sue and Ron moved to Orlando, FL where they ran La Piazza Italian Restaurant for 15 years until they retired in 2005.

One of her greatest enjoyments in life was traveling, which she took up shortly after obtaining her Master's from the University of Colorado and continued until her last trip to China in 2016. In her 44 years of marriage with Ron, Sue visited 6 continents and nearly 50 countries.

Sue is preceded in death by her father and mother. She is survived by her husband, Ronald Janssen, and other many other family and friends who will miss her dearly.

Memorial gifts may be made to Rotary's Coins for Alzheimer's Research Trust (CART). 100% of all funds donated go to research grants with the goal of finding a cure or effective treatment for the terrible mind crippling disease.

A Private Interment will be at Woodlawn Memorial Park in Gotha. A Celebration of Life was held for Sue Thursday January 3 at St. Luke's United Methodist Church.

Do Not Ask Me to Remember

*Do not ask me to remember, Don't try to make me understand,  
Let me rest and know you're with me, Kiss my cheek and hold my hand,  
I'm confused beyond your concept, I am sad and sick and lost.  
All I know is that I need you, To be with me at all cost.  
Do not lose your patience with me, Do not scold or curse or cry.  
I can't help the way I'm acting, Can't be different though I try.  
Just remember that I need you, That the best of me is gone,  
Please don't fail to stand beside me, Love me 'til my life is done.  
- Owen Darnell*
