## Weekly Roundabout

**Quote of the Week:** “A person's health isn't generally a reflection of genes, but how their environment is influencing them. Genes are the direct cause of less than 1pc of diseases: 99pc is how we respond to the world.”

Bruce Lipton

### THE FOUR-WAY TEST

of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

### PROGRAM OF THE WEEK

Jennifer Gardiner, PhD.  
Biomedical Engineer

**Jennifer Gardiner** will be sharing her experience working at the Bill & Melinda Gates Foundation in Seattle, WA. Until recently, Jennifer was working as a Senior Program Officer in Global Health at the Gates Foundation. In this role, she was responsible for making and managing grants to partner organizations, typically universities, pharmaceutical, and diagnostic companies. Her primary focus was to develop better ways to diagnose tuberculosis, understand the burden of infectious diseases in low income countries, and understand what causes preterm birth.

She previously worked as a Research Scientist at two pharmaceutical companies, Wyeth and Johnson & Johnson, in the Philadelphia area.

Jennifer earned her Bachelor's degree at Duke University and PhD in Biological Engineering at MIT. She recently relocated back to Windermere with her husband and three young children.

(BTW: She is the daughter of Rotarian Craig Lee and Maryke.)

The Rotary Club of Windermere has created an online registry for our Military heroes (active, retired, deceased) who are either from the local area or who are family and/or friends of area residents. Our goal is to create a respectable list of our Military service men and women online then to record these names and dates into a quality book to be put on public display in the Windermere Library. The site is ready now, although we will continue to enhance and improve it as we see entries generated. The link is <http://windermereveterans.com>. The cost is \$50 per entry. If you have a loved one who served or is currently serving, please consider honoring them by adding them to this registry as a record of our local military history. Thank you.

Please bear with us as we work through the kinks with the new website!

**WORKDAY, WORKDAY WORKDAY!**

**Saturday August 24 at 8:00 am**

We will gather at the Rotary park at 3rd and Pine to clear out the weeds and make the waterfront more beautiful. Bring yard tools (weed whackers, hatchets, machetes, wasp spray, rakes, heavy duty garbage bags, drinking water etc.). Expect to get wet and dirty and to work for about two (2) hours.

**Put on your calendar now as that is one less thing you have to plan!**

## BEING A ROTARIAN

Do you truly appreciate the significance of being a part of this glorious past and present? As Rotarians, you are special people and millions around the world would be happy to confirm that fact.

### **What is a Rotarian?**

- A Rotarian is a person who digs wells from which they will never drink,
- A person who vaccinates children they will never meet,
- Who restores sight for those they will never see,
- Who builds houses they will never live in,
- Who educates children they will never know,
- Who plants trees they will never sit under,
- Who feeds hungry people, regardless of race, religion or politics,
- Who makes crawlers walk half a world away,
- Who knows real happiness, which as Albert Schweitzer said, can only be found by serving others.

## OUR ROTARY FAMILY

**Karen & Don stopped in Oregon following their cruise to Alaska.**

**Amazing glaciers!**

And then accidentally met up with Byron & Norma for dinner who were attending a Board meeting in Portland!

Great group serving about 30 at the Ocoee Christian Center yesterday
