# MESSAGE FROM THE PRESIDENT

Fellow Rotarians,

It is my pleasure to serve as your 2019-2020 President of Rotary of Windermere.

We have a busy time coming up and we need your help. Our next event is Rotary Means Business to be held on **Tuesday evening, October 29<sup>th</sup>** from 6 pm until 8 pm at the Town Hall. We are hosting this event and while we don't have an RSVP number yet, they normally have around 50 Rotarians attend this event. We will need to provide drinks and food just like our regular Monday evening social but this event will replace that Monday night event and be held on Tuesday night. Remember, there will be no meeting in the morning. Then we have our Topgolf event coming up on **Monday, Nov.11<sup>th</sup>** from 6 pm until 9 pm. We have provided tickets for sale already. We have 200 tickets to sell so we need to work on this quickly. We will have these available for the Rotary Means Business so be sure to ask everyone you talk to about buying tickets. While the Winter Garden club has offered to help us sell these, we are still responsible and need to promote. We need sponsors and we need silent auction items. Please work on this. This is our opportunity to raise funds for our military and our youth.

My theme "I Believe..." holds different values and meanings for each person which is so important in order to grow our organization.

*I Believe in my heart we will have great success as the 2019-2020 team of Rotary Club of Windermere.*

Yours in Rotary Service Doug

The Rotary Club of Windermere has created an online registry for our Military heroes (active, retired, deceased) who are either from the local area or who are family and/or friends of area residents. Our goal is to create a respectable list of our Military service men and women online then to record these names and dates into a quality book to be put on public display in the Windermere Library. The site is ready now, although we will continue to enhance and improve it as we see entries generated. The link is <http://windermereveterans.com>. The cost is \$50 per entry. If you have a loved one who served or is currently serving, please consider honoring them by adding them to this registry as a record of our local military history. Thank you.

Please bear with us as we work through the kinks with the new website!

## **OUR ROTARY FAMILY**

The West Orange Healthcare District has plans for a new nonprofit and office building as part of its latest initiatives.

The Ocoee-based organization will create the Foundation for a Healthier West Orange, which will oversee Healthy West Orange, a health-related project launched in 2016 by the district, Orlando Health and Sarasota-based Observer Media Group Inc. The new nonprofit, in turn, will launch a new community resource center in 2020 called the Healthy User Bulletin Board (HUBB), which will help area residents find access to local health care and wellness services.

“There are a whole host of organizations delivering health and wellness programs in our community, but not everyone is aware of them, and if they are, they don’t necessarily know how to access them,” West Orange Healthcare District CEO Tracy Swanson said in a prepared statement. “HUBB will bridge the gap between these programs and the people who can benefit from them.”

With the new nonprofit will come a new building to house the Foundation for a Healthier West Orange and West Orange Health Care District in Winter Garden at the corner of Plant Street and Southwest Crown Point Road, a West Orange Healthcare District spokeswoman told *Orlando Business Journal*. Construction started on the \$4.5 million, 25,000-square-foot building in August 2019 and should be completed in spring 2020.

Notably, more than half of the building's space will be leased to local organizations and businesses, with the earnings from that going to the foundation's operations. Orlando-based Baker Barrios Architects is the architect for the project, while Orlando-based McCree General Contractors and Architects general contractor

Meanwhile, the five-member board for the Foundation for a Healthier West Orange will include:

- [Jaclyn Whiddon](#), owner, The Whiddon Group
- [Mark Marsh](#), president, Orlando Health's Health Central Hospital
- [Carl Dupper](#), CEO, AdventHealth Winter Garden
- [Tim Keating](#), president and CEO, RC Stevens Construction
- [Norma Sutton](#), vice president, World Trade Center Orlando

Initial funding for the new foundation will come through two grants. The first, a \$10 million grant, will establish and staff HUBB for its first three years as well as expand Healthy West Orange programs and outreach. The second grant, which totals \$40 million, will create an endowed fund whose earnings will fund the organization's programs from year four onward.

The district, which was founded 70 years ago, will keep its community health care grants program going. The organization has awarded more than \$180 million in local grants, including the two grants to the new foundation.
