Weekly Roundabout

Quote of the Week: "My heroes are those who risk their lives every day to protect our world and make it a better place - police, firefighters, and members of our armed forces."
Sidney Sheldon

The 4-Way Test
of things we do and say:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

PROGRAM OF THE WEEK

Gary Atwill
President Home at Last

Our very own Bill Criswell and Bill Curdts started the **Home At Last** Project after realizing that wounded veteran's whose disabilities caused serious difficulty were challenged again just to find appropriate homes for them to resume normal home life.

"Our servicemen and women often lay it all on the line in order to protect our country and our freedom, routinely going Above and Beyond. We can repay them in part by offering assistance and support when they return home. **Home at Last** strives to do our part by assisting combat disabled veterans with handicap accessible homes."

Gary Atwill is the current President of the organization and has been involved from the beginning. Gary is a former member of our club, a Past President and a local resident with his wife Jimmy.

MESSAGE FROM THE PRESIDENT

Fellow Rotarians,

It is my pleasure to serve as your 2019-2020 President of Rotary of Windermere.

Our next event is coming up fast (Arbor Day) with our Valentine's Day Lobster dinner following behind soon. We need to have a sell out crowd again in order to raise the maximum funds. We did it last year so with everyone's help, we should be able to do it again! Our tickets are available online and paper tickets will be distributed at the meeting in the morning. For the Arbor Day event, see the list later in the bulletin of what is needed for our participation.

We had our second meeting at Health Central with good response and a great start for our club. We will have a minimum of 10 new members to kick off with and hopefully will soon have many more. Don has a schedule of the meeting agendas over the next several weeks with includes an organizational meeting to elect officers and assign duties. Thanks to all of you who attended and do try to come next Thursday at 11:30 at the hospital to participate in this new formation. It is truly exciting to be a part of this new venture. And especially thank you, Mark and Don. for spearheading this!

Sunday is again the Ocoee Christian Center dinner that we serve so please consider bringing food and helping to serve.

My theme "I Believe..." holds different values and meanings for each person which is so important in order to grow our organization.

I Believe in my heart we will have great success as the 2019-2020 team of Rotary Club of Windermere.

Yours in Rotary Service Doug

The Rotary Club of Windermere has created an online registry for our Military heroes (active, retired, deceased) who are either from the local area or who are family and/or friends of area residents. Our goal is to create a respectable list of our Military service men and women online then to record these names and dates into a quality book to be put on public display in the Windermere Library. The site is ready now, although we will continue to enhance and improve it as we see entries generated. The link is <http://windermereveterans.com>. The cost is \$50 per entry. If you have a loved one who served or is currently serving, please consider honoring them by adding them to this registry as a record of our local military history. Thank you.

A conversation with Lt General Jay Garner (Ret)

In 2003 Gen Garner was selected to lead the post-war reconstruction efforts in Iraq, along with three deputies, including British Major-General Tim Cross. Garner was regarded as a natural choice by the Bush administration given his earlier experience in the region including serving as the allied commander of Operation Provide Comfort; the multi-national mission to protect the Kurds in Northern Iraq following the first Gulf War. General Garner was to develop and implement plans to assist the Iraqis in developing governance and reconstructing the country once Saddam Hussein was deposed. Jay is currently an active defense and energy industry consultant and travels to the Middle East and the Kurdish region of Iraq several times a year.

Topics we'll be discussing are:

- Understanding the complexities of the people of Iraq including religious and ethnic influences
- Our involvement with in Iraq
- Iranian and Saudi influences in the region through “proxy wars” and support of terrorist organizations
- Q & A
