Weekly Roundabout

Quote of the Week: “If you look at history, there seems to be a regular pattern: the country with the most powerful military also happens to be the one with the world trade currency. That gives them an enormous economic advantage, which causes goods to flow into their country.”

MESSAGE FROM THE PRESIDENT

Fellow Rotarians,

It is my pleasure to serve as your 2019-2020 President of Rotary of Windermere.

Our big event, **Lobster & Laughter**, is coming us soon. Valentine's Day will be very special with a lobster dinner and show by Mad Cow Theaters. Tickets are on sale on-line at Eventbrite as well as on our web site and we have paper tickets if you need them. We are about half way there so we really need to push this last 10 days.

Remember, we can only sell 120 seats so don't wait too late if you want to sell or buy! We can let you know if we need assistance on anything but for sure try to find a **silent auction item**.

Kudos to Chuck and George for attending the RLI sessions this past Saturday! We need to hear from them what they learned and how beneficial it is to attend.

We need to serve at the Ocoee Christian Center on **Sunday, Feb. 16**, the Sunday after our lobster event so please consider preparing food and/or serving these folks. Todd, Angela and Chuck did a great job with just the three of them serving over 30 but that is a lot to ask so let's see if we can have a better turnout this month.

We had a good turn out for the Board meeting and accomplished several agenda items so we will give you an overview at the meeting.

My theme "I Believe..." holds different values and meanings for each person which is so important in order to grow our organization.

I Believe in my heart we will have great success as the 2019-2020 team of Rotary Club of Windermere.

Yours in Rotary Service Doug

ATTENTION ATTENTION

The only chance you have to win money here is to buy your **50/50 Tickets!**

The Rotary Club of Windermere has created an online registry for our Military heroes (active, retired, deceased) who are either from the local area or who are family and/or friends of area residents. Our goal is to create a respectable list of our Military service men and women online then to record these names and dates into a quality book to be put on public display in the Windermere Library. The site is ready now, although we will continue to enhance and improve it as we see entries generated. The link is <http://windermereveterans.com>. The cost is \$50 per entry. If you have a loved one who served or is currently serving, please consider honoring them by adding them to this registry as a record of our local military history. Thank you.

**Party with a Purpose
On or Around 29th February 2020**

“Earlier this year, your membership team launched 'Leap into Rotary’ encouraging Clubs to have a social get together around the 29th of February 2020, fostering fun and fellowship for existing members and as an introduction to Rotary for prospective members. Many parties are already being worked on throughout our Zone, after all who doesn't like a party. Need more information-watch the Zoom Video in the Resources section if the Zone 33/34 Web site or send me an email and we'll send you a timeline to work to. And for those already working on their planned event, let us know if we can help, or pass on any advice you have for others who are just starting out on the organizing process.”

A conversation with Lt General Jay Garner (Ret)

In 2003 Gen Garner was selected to lead the post-war reconstruction efforts in Iraq, along with three deputies, including British Major-General Tim Cross. Garner was regarded as a natural choice by the Bush administration given his earlier experience in the region including serving as the allied commander of Operation Provide Comfort; the multi-national mission to protect the Kurds in Northern Iraq following the first Gulf War. General Garner was to develop and implement plans to assist the Iraqis in developing governance and reconstructing the country once Saddam Hussein was deposed. Jay is currently an active defense and energy industry consultant and travels to the Middle East and the Kurdish region of Iraq several times a year.

Topics we'll be discussing are:

- Understanding the complexities of the people of Iraq including religious and ethnic influences
- Our involvement with in Iraq
- Iranian and Saudi influences in the region through "proxy wars" and support of terrorist organizations
- Q & A
