

December 15, 2020

Meeting via Zoom @ 7AM
See Schedule Below

Windermere Rotary Club

Weekly Roundabout

Quote of the Week: "People say nothing is impossible, but I do nothing every day."

A.A. Milne

The 4-Way Test *of things we do and say:*

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

PROGRAM OF THE WEEK

Karen Hairston

President 2020-2021

Club Assembly

Unfortunately, due to the pandemic, the annual Christmas Party has been canceled.

MESSAGE FROM THE PRESIDENT

Greetings Windermere Rotary Family,

It is my pleasure to serve as your President for the Rotary Club of Windermere year 2020-2021.

Season's Greetings!

It is hard to believe tomorrow will be the 15th of December! Hanukkah is half over and Christmas is right around the corner... in 10 days. As I reflect back on 2020 I am still in disbelief at what has happened and what is now our “new normal”.

Tomorrow will be our semi-annual Assembly. Therefore, we will not have a guest speaker but will have reports from our treasurer and secretary. Additionally, we will vote on the slate of proposed officers for the 2021-2022 Rotary year. A special thanks to Frank Krens and his committee for the work they did as members of the nomination committee.

Happy Holidays to each of you. May you and yours be safe during the holiday season. I look forward to seeing you in the morning.

Yours in Rotary Service Karen

In Memory

**Douglas Trovillion
1962 – 2020**

Doug passed away unexpectedly on Saturday, November 28 from a massive heart attack.

Doug has been a member of the Club for many years and was the President for the year 2019-2020. He owned a construction business, held his real estate license and more recently managed food truck events. I am including an article that was published in the Orlando Sentinel in 2018. We will post his obituary as soon as it is available. Rest in peace, Doug.

New Information

A "Celebration of Life" for Doug will take place on Thursday, December 17th at 6:00 PM at Bar Louie (Winter Park Village). The address is 460 Orlando Avenue, Winter Park, FL 32789.

If you are interested in making a donation to Edgewood Children's Ranch in memory of Doug, you can go to their website: <https://edgewoodranch.com/ways-to-support-us/> Click on the tab "Support Our Program", then scroll down to "In Loving Memory". You enter the amount of the donation and Doug's name.

FYI: In the box "Notify someone about this gift (optional)" enter Phil Leopold's email (phil@medicalmurray.com). That way after a week or two we can notify Doug's family of the donations made by Windermere Rotary members in Doug's memory.

Covid-19 Situation in numbers (by WHO Region)

Total as of December 14, 2020

Globally 73 018 907 cases 1 624 983 deaths 2.22 % death rate

20 143 502 Currently Infected Mild Cases (99.5%)

106 299 Serious or Critical (0.5%)

Africa 2 379 827 cases 56 334 deaths

Americas 30 887 593 cases 785 420 deaths

Europe 21 400 012 cases 479 789 deaths

Asia 16 782 046 cases 290 129 deaths

US 16 845 240 307 333 deaths 1.82 % death rate

Info on Covid 19 Vaccines From Mayo Clinic

Vaccination will be recommended for everyone, but supplies will be limited at first. Federal and state authorities call for [health care personnel](#) to be offered vaccine in the first phase of the program, starting with hospital workers, emergency responders and long-term care staff.

What are the side effects of the COVID-19 vaccine?

Early-phase studies of the Pfizer/BioNTech vaccine show that it is safe. However, about 15% of people developed transient local symptoms and half developed transient systemic reactions, primarily headache, chills, fatigue, muscle pain or fever. These transient reactions, which indicate a person's immune system is responding to the vaccine, resolved without complication or injury.

How effective is the COVID-19 vaccination?

Although phase 3 trial results are not available, experimental vaccine interim data indicate 90% efficacy after two doses. Efficacy is the measure of effectiveness obtained from a randomized controlled clinical trial. Further details regarding the effectiveness of the vaccine, such as how long the vaccination offers protection, are not yet available.

Olympia & West Orange Interact Clubs
