

March 2 , 2021

Meeting via Zoom @ 7AM  
See Schedule Below

# Windermere Rotary Club

## Weekly Roundabout

**Quote of the Week:** “The Four-Way Test of the things we think, say or do is a test used by Rotarians world-wide as a moral code for personal and business relationships.”

### The 4-Way Test

*of things we do and say:*

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

### PROGRAM OF THE WEEK

**Edgewood 4 Way Test**

**Remember the Last 4 Way?**

**2019: So Come See & Hear  
The 2021 Contestants!  
7 AM at the Ranch**

**1451 Edgewood Ranch Road  
Orlando, Florida 32835**

# MESSAGE FROM THE PRESIDENT

## Greetings Windermere Rotary Family,

*It is my pleasure to serve as your 2020-2021 President.*

Here we are in March! Wow, as they say, "How time flies!" With the arrival of March comes several exciting things:

- First, tomorrow morning at 7:00 AM Edgewood Ranch has invited us to the reading of their 4 Way Test Essay winners. Due to their protocol related to COVID, everyone is invited to meet in the Chapel, **wearing masks**, where we will **practice social distancing**. Coffee will be available. Remember to put a lid on the cup if you take it into the Chapel.
- Second, Monday, March 22<sup>nd</sup> is our Top Golf fundraiser! Everyone received two (2) tickets to purchase and/or sell. Please get your money to Phil as soon as possible. As you know, this will most likely be our **only** fundraising event for this fiscal year ending in June. Safety measure are in place for attendees to enjoy an evening of fun with friends and family. And you don't have to be a golfer to have a really good time! Contact Norma for additional tickets. Additionally, we are in need of auction items for the silent auction. Suggested items: gift baskets, art work, wood work, bottles of spirits/wine, staycations, restaurant certificates, etc.
- Third, we will say goodbye to our bi-monthly Zoom meetings at the end of the month. Beginning in April we will resume our weekly 6:54 AM meeting at the Town Hall. Plans are in place to make our meetings going forward hybrid for those who would rather stay home and participate virtually. So we should have a format for everyone!

The last order of business. Recently, I sent a PMail to everyone asking for a vote on the revised wording to Article 9 of our By Laws. At the suggestion of member, attorney John Rodgers, rather than remove the requirement to bond officers we would simply add the following wording, "at the discretion". This would allow the Board to have the discretion to bond officers, if needed. Please email me with your vote by Friday of this week. [kkarston10@gmail.com](mailto:kkarston10@gmail.com)

Looking forward to our time at Edgewood Ranch and a great month ahead.

**Yours in Rotary Service Karen**

## Covid-19 Situation in numbers (by WHO Region)

**Total as of February 28, 2021**

Globally 114 553 431 cases 2 540 296 deaths 2.2 % death rate

21 960 (down 3 179 333) Currently Infected Mild Cases

90 608 (down 7 629) Serious or Critical

Africa 3 920 620 cases 103 722 deaths

Americas 51 456 485 cases 1 224 181 deaths

Europe 34 122 481 cases 812 999 deaths

Asia 25 01 963 cases 398 291 deaths

US 29 210 459 cases 524 844 deaths 1.8 % death rate

### NEWS as of February 27, 2021

**Total Vaccine Doses Administered 240 million 77 countries**

**Total US Vaccine Doses Administered 72.8 million**

Today, the U.S. Food and Drug Administration issued an emergency use authorization (EUA) for the third vaccine for the prevention of coronavirus disease 2019 (COVID-19) caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2). The EUA allows the **Janssen** COVID-19 Vaccine to be distributed in the U.S for use in individuals 18 years of age and older.

The Janssen COVID-19 Vaccine is manufactured using a specific type of virus called adenovirus type 26 (Ad26). The vaccine uses Ad26 to deliver a piece of the DNA, or genetic material, that is used to make the distinctive “spike” protein of the SARS-CoV-2 virus. While adenoviruses are a group of viruses that are relatively common, Ad26, which can cause cold symptoms and pink eye, has been modified for the vaccine so that it cannot replicate in the human body to cause illness.

After a person receives this vaccine, the body can temporarily make the spike protein, which does not cause disease, but triggers the immune system to learn to react defensively, producing an immune response against SARS-CoV-2. Efficacy is at 72% in US and 66% world wide.

The Janssen COVID-19 Vaccine is administered as a single dose. The available safety data to support the EUA include an analysis of 43,783 participants enrolled in an ongoing randomized, placebo-controlled study being conducted in South Africa, certain countries in South America, Mexico, and the U.S. The participants, 21,895 of whom received the vaccine and 21,888 of whom received saline placebo, were followed for a median of eight weeks after vaccination. The most commonly reported side effects were pain at the injection site, headache, fatigue, muscle aches and nausea. Most of these side effects were mild to moderate in severity and lasted 1-2 days.

## Club Meeting Information

**March 2: Edgewood Ranch at 7 am in Church for 4 Way Test**

**Interact Clubs**

**Olympia & West Orange**

Here are each of the Olympia HS officer's emails:

Arielle Hanley (President)-[4804105840@students.ocps.net](mailto:4804105840@students.ocps.net)
