## Weekly Roundabout

Quote of the Week: **“Innovations are very cruel by nature. They destroy the old ones to create space for themselves.”**

Sukant Ratnakar, Quantas

### PROGRAM OF THE WEEK

**Avani Desai**  
Partner & President  
Schellman & Company

### The 4-Way Test of things we do and say:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Avani Desai is a Partner and President at [Schellman & Company](#), LLC, the largest niche CPA firm in the world that focuses on technology and security assessments. She is also CEO and co-founder of [MyCryptoAlert](#), a push notification and portfolio app for cryptocurrency. Avani started her career working at a Big 4 accounting firm (KPMG) for over 10 years, where she led a team and oversaw IT Risk Management and Privacy across national service-lines. In addition, Avani managed the development of internal and external privacy programs and related practices, leveraging her deep knowledge with healthcare and emerging technologies, such as blockchain, cloud computing, artificial intelligence, internet of things, and virtualization.

Now at Schellman & Company, Avani has been focusing on growth strategies, strategic client and market development, industry analysis, and new services for the last seven years. She has been featured in Forbes, CIO.com, and the Wall Street Journal, and is a sought after speaker as a voice on a variety of emerging topics, including security, privacy, information security, future technology trends, and the expansion of young women involved in technology. In 2017, Avani, a crypto enthusiast, launched MyCryptoAlert, an app that provides a mobile solution for the alert and portfolio problems crypto investors face and a tool to buy and sell coins on arbitrage. Also passionate about strategic philanthropy, Avani sits on the board of Arnold Palmer Medical Center, the Central Florida Foundation, and is the co-chair of 100 Women Strong, a female-only venture capitalist based giving circle that focuses on solving community-based problems specific to women and children by using data analytics and big data. Avani is also an avid runner, always looking to sign up for the next Disney marathon. With all that being said, Avani still considers her greatest accomplishment to be personal rather than professional—she is the proud mother to her 8-year-old son, Sahil, and her 5-year-old daughter, Sareena.

# MESSAGE FROM THE PRESIDENT

**Greetings Windermere Rotary Family,**

*It is my pleasure to serve as your 2020-2021 President.*

Spring is here...at least that's what my calendar tells me...as I ventured outside this morning, I was met with temps in the 40's!

With Spring comes new beginnings and renewal and that's exactly what's happening at our Rotary Club. We will begin having our regularly scheduled Rotary meeting at the Town Hall this Tuesday morning at 6:54 AM. We're attempting to make it a hybrid meeting for those unable or unwilling to join us. Member's health and safety is of upmost importance to us, so we want everyone to do whatever feels right for them. For those deciding to join us via Zoom tune in at 7:00 AM and be patient as we try to pull it all together.

We WILL NOT be offering our full breakfast Tuesday but will have coffee and an assortment of individual items like fruit, muffins, yogurt, etc. PLEASE BRING A COUPLE OF DOLLARS TO PAY FOR THE ITEMS. You will have a chance to give input regarding breakfast in a survey that is being developed. It is important that you complete the survey and get it back to Frank as soon as possible once it is received and completed.

Due to the weekly rental cost of the Town Hall, upcoming District and International dues and ongoing administrative expenses, the Board voted during our March meeting to reinstate our normal due's structure for the 4<sup>th</sup> quarter. If you have not already, you should shortly receive an invoice for your 4<sup>th</sup> quarter dues. I want to thank each of you for keeping your dues payments up to date and I ask that you please continue that practice. Once again, I am most proud of the commitment most of you made this year to supporting the Foundation. We went from 7 members to 29....I am sooo proud of our club!

And, once again, thank you to Byron & Norma for the great TopGolf event and to **all of you** who sold tickets, bought tickets, donated auction items, and purchased auction items. We had 130 people attend the event and came away with \$15,355 to support our future service projects in Frank's year. And thank you again to our sponsors – **Orlando Health Health Central, Healthy West Orange, Brad Busbin Law Firm, Medical Murray and Waste Pro** – for their great support! What a fun and successful event – so much so that we are considering hosting again in the fall. Given all the work you all did, let us know what you think about that! Thank you.

**Yours in Rotary Service Karen**

**Total Vaccine Doses Administered 345 million 121 countries**

**Total US Vaccine Doses Administered 101 million**

[Pfizer Inc](#) and BioNTech SE said Wednesday that real-world data from Israel suggests that their [Covid-19](#) vaccine is 94 percent effective in preventing [asymptomatic infections](#), meaning the vaccine could significantly reduce transmission.

The companies also said the latest analysis of the Israeli data shows the vaccine was 97 percent effective in preventing symptomatic disease, severe disease and death. That is basically in line with the 95 percent efficacy Pfizer and BioNTech reported from the vaccine's late-stage clinical trial in December.

## Rotary Foundation Update

### Polio Eradication

Hear the words of Rotarian Deepak Kapur speaking about how to use the lessons of the Polio Eradication effort in India to inform strategies for combatting vaccine hesitancy regarding the COVID-19 pandemic. He spoke on a recent weekly news podcast from the United Nations. Listen here: [endpol.io/39efzyD](https://endpol.io/39efzyD)

**23 clubs in our district have giving a total of over \$11,552 to Polio Plus as of end of March, 2021. They have a combined goal to raise over \$16,150 to eradicate Polio which if reached will exceed last year's club contributions to Polio Plus. Great work clubs! Keep up the momentum!. If your club has yet to give to Polio Plus please try to find a way to make this happen before the end of June, 2021.**

**For clubs that achieve a minimum Annual Fund contribution of \$100 per capita during the Rotary year, with every dues-paying member personally contributes at least \$25 to the Annual Fund during the year your club will receive a banner recognizing your club as 100% EREY club (EVERY ROTARY EVERY YEAR) and for those clubs where each and every member donates at least \$100 to The Rotary Foundation your club will earn a 100% Sustaining Member Club.**

## TOPGOLF EVENT FUN!

Matthew & Luke sold the 50/50 tickets at the TopGolf event and Matthew was surprised with the poster he wanted from the auction.

I sent out the link for pictures taken by Brian Price but I am looking for any pictures you may have taken that I can use for the bulletin next time!
