MESSAGE FROM THE PRESIDENT

Greetings Windermere Rotary Family,

It is my pleasure to serve as your 2020-2021 President.

Wow, what a fabulous meeting last Tuesday! We are thrilled to welcome three new members: Regiane Cidral, Francisco Cidral and Joe Santangelo, to our club. A special thanks to our Assistant Governor Greg Gorski, sponsors Emerson Greco and Steve Simoneaux and Membership Chair Andy Agoos for their roles in helping to induct our new members. Plus, we started what I hope is a new tradition for our club, "The Red Ribbon Rip Off"!

This will take place when new members have completed all items listed on the Red Badge requirements and can celebrate by ripping off the red ribbon from their name badge. A round of applause for Janet Mahon and Steve Simoneaux for accomplishing this rite of membership.

Another special thank you to your Board of Directors and Officers for their dedication. Plans are in place for several upcoming events:

- Open House/Social - 6:00 PM, Monday May 24th - Burntwood Tavern
- Memorial Day Observation – 10:00 AM, Monday May 31st - Military Memorial at Town Hall
- Combined "End of Year Celebration" (Dr. Phillips/Windermere)- 3-6 PM, Saturday, June 19, Town Hall
- Officer and Director Initiation Dinner, 6:00 PM, Monday June 28th, Town Hall

I want to remind everyone to wear your Rotary Badge to all our events...especially to our weekly meetings. **This is so helpful to our new members!**

The Board would like to express thanks to **Health Central** for their donation which allowed us to provide the Edgewood Ranch kids with an afternoon of good food and great fun! Additionally, thank you Joe Santangelo for your donations of **Body Armor** sports drinks and logo towels. I still smile when I think of all the fun those children had during the event.

Can you feel the excitement in the air as we gather for our meetings and socials? Being a part of this Rotary family is a blessing to me and I want to encourage everyone to join in on the fun. After the year we have all experienced it is so nice to be surrounded with likeminded friends wanting to serve our community, district and world. If you have a suggestion for a service project, please share with a board member. The Rotary Club of Windermere is awesome and we have only just begun to continue our 50+ year legacy of service!

Yours in Rotary Service Karen

Windermere OKs agreement for new pavilion

The Rotary Club of Windermere has been awarded a \$1 million grant from the West Orange Healthcare District to construct an outdoor entertainment pavilion.

DANIELLE HENDRIX
ASSOCIATE EDITOR

Windermere Town Council members have approved an agreement with the Rotary Club of Windermere regarding plans for a new outdoor entertainment pavilion.

During their May 11 meeting, council members heard from Rotary members and residents as they discussed the agreement.

Last summer, town leaders approved the pavilion's concept plan, which included a functional stage space for events, a three-sided pavilion, a concession stand and storage. The West Orange Healthcare District awarded the Rotary

Club a \$1 million grant to fund the construction of the pavilion, which will be located in Windermere's town square.

The agreement between the Rotary Club and the town of Windermere lays out conditions negotiated between town staff and West Orange Healthcare District board members.

Such conditions include both parties mutually agreeing on a project manager; holding two workshops for public input on design; a requirement to have Town Council approve the design at the 45% and 100% design phases; and allowing the Rotary Club to display its crest on the building. Additionally, the Rotary Club would have exclusive rights to concessions for Healthy West Orange and Rotary events only.

Rotary member George Poelker said the idea for a pavilion began a few

years ago, as the club's 50th anniversary was coming up. Rotary members thought it would be a nice gift to the town in honor of that anniversary.

"There is still lots of room for public input, and we welcome that," Poelker said. "We want to give the town what the town wants — that's our overhead goal. For 52 years, we've been in Windermere making Windermere a better, more fun place to live, and we want to continue that for the next 50 years or more. That's our goal."

Poelker said for the last few years, the main issue regarding the project was finding funding. However, receiving the grant from the West Orange Healthcare District's Healthy West Orange initiative makes it possible.

Resident Nora Brophy said she liked the idea of having a pavilion in the town square but was worried about the project's footprint, as well as branding.

"It'd be wonderful to have a pavilion here," said Brophy, who also serves as chair of the town's Parks and Recreation Committee. "Initially, I thought this was just a pavilion, and then when I read this proposal, it seems like it's morphed into the whole Town Hall area. ... The big events like Pet Fest and Run Among the Lakes, we use every inch of that space out there. If that is turned into a park, we won't be able to have those big events, so it would be kind of a shame to build the pavilion to have these events and then cancel the big events because we don't have enough room for them."

Mayor Jim O'Brien reminded those in attendance that although the concept is in place, the opportunity for further public input remains.

"Just because of what we're working on tonight doesn't negate all of those workshops and the opportunity for the public (input) and branding as well — sizing, colors," O'Brien said. "We want to be as reasonable as we can. ... These are certainly things

we're thinking about, as well."

Poelker added the branding is "very minimal" and there won't be a name plastered across the front of the pavilion. Rather, the conceptual plan calls for two emblems — one for Healthy West Orange and one for the Rotary Club.

"There's lots of little details that need to be worked out still, and that's fine and we know that," he said. "(We're focused on) building a useful, beautiful facility for all of the town to use."

Congratulations!
