### The 4-Way Test of things we do and say:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?

## MESSAGE FROM THE PRESIDENT

**Greetings Windermere Rotary Family,**

*It is my pleasure to serve as your 2020-2021 President.*

I want to thank each of you who reached out to check on me over the past week. I am thrilled to report after 4 days in the hospital and thorough diagnostic tests, I have a very healthy heart! This is welcomed news based on my family's history of heart disease.

It is hard to believe the 2020-2021 Rotary fiscal year will be over in 2 ½ weeks. Thanks to Judy we have plans in place for a lovely Officer Installation Dinner on Monday, May 28<sup>th</sup>. You should have received an Evite listing all the details. Please make every effort to attend. This is our time to celebrate together as a club as we welcome the new 2021-2022 Officers and Directors. The evening will begin at 6:00 PM with a cash bar cocktail hour. When you RSVP remember to include your guest/s in the count.

The decision to cancel the combined “**Winedown**”/**Afternoon of Fun** celebration with the Dr. Phillips club was made during my unexpected stay in the hospital. Their president, Mary Ellen Kerber, took a tumble during the Memorial Day weekend and shattered her elbow. Thus, reconstruction surgery and months of physical therapy for her. We both agreed that perhaps cancelling was in our collective best interest.

Don't forget we have the pass to Top Golf that allows 6 people to play for free and receive a discount on food. Byron has the pass. His contact information is as follows:  
[byronksutton@outlook.com](mailto:byronksutton@outlook.com) or 407-257-1806.

Well, as they say in Texas, I am back in the saddle again and looking forward to being with you bright and early Tuesday morning.

**Yours in Rotary Service Karen**

## **Classification Talks**

When a lawyer named Paul Harris, a coal dealer, a mining engineer, and a merchant tailor first met in 1905 in Chicago, they gave birth to Rotary and, by the nature of their diverse occupations, to the association's most distinctive feature – the classification principle. Today, the classification principle, though modified, remains a cornerstone of Rotary.

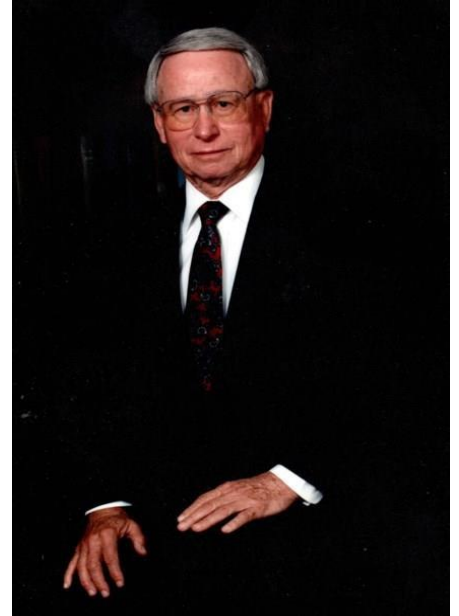

Representatives of many fields are brought together, providing the opportunity for Rotarians to broaden their knowledge of the contemporary workplace. This, in turn, enables Rotarians to fulfill one of the basic obligations of vocational service – recognizing the worthiness to society of all.

January 12, 1930 – June 7, 2021

Charles Eugene “Gene” Spears, 91, of Windermere, FL, passed away peacefully on Monday, June 7, 2021.
