The 4-Way Test *of things we do and say:*

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

He has been an integral part of the Orange County Supervisor of Elections office since 1989, after serving thirteen years on the staff of the Central Florida Council, Boy Scouts of America. Bill was first elected as the Orange County Supervisor of Elections in 1996, and has been re-elected in every election since.

MESSAGE FROM THE PRESIDENT

Greetings Windermere Rotary Family,

It is my pleasure to serve as your 2020-2021 President.

President Karen had mild symptoms associated with heart disease and, based on her family history, is having it thoroughly checked out at Health Central. She is feeling well, sends her best, and is anxious to get back in the saddle.

In preparing this President's message I couldn't help thinking back over the past year. Wow! Karen presided over a dynamic and productive time for our club. We are back to meeting in person, met virtually when we had to, and continue with hybrid meetings. We built stronger friendships and ties to other clubs and the community. We welcomed five new members, increased our overall membership, and made strides toward starting a satellite club at Health Central. We held successful Topgolf fundraisers, and hosted a fun day for the kids at Edgewood Ranch and a Memorial Day ceremony at Town Hall. We upped our Rotary Foundation contributions by 300%. We continued our 4-Way test essay programs and gave scholarships to deserving high school seniors. Four of our couples provided Meals-on-Wheels deliveries. Orlando Health continued their financial sponsorship for our charitable events.

Under Karen's leadership we strengthened the club for the long term - updating our Bylaws, Policies and Procedures, and Membership Application, and developing our first-ever 5-Year Strategic Plan.

Our club has been trusted with a grant of \$1,000,000 from the West Orange Healthcare District to build a *Healthy West Orange* pavilion in the town square. We will donate the pavilion to the Town of Windermere for health- and entertainment-related use by the community. We are blessed with the wonderful community where we live and are honored to have been granted this trust and responsibility.

We were saddened by the deaths of charter member Everette Fischer and past presidents Doug Trovillion and Darrell Gardner.

We will have an important annual event at Town Hall on Monday June 28th – the *Officer Installation Dinner*, where we show our appreciation for the officers and directors who served during July 2020 – June 2021 and install the new Board for July 2021-June 2022. Hoping to see everyone at this event. Watch for the Evite.

Please note that the combined Dr. Phillips/Windermere Rotary Club *Wine-down / Afternoon of Fun*, planned for **Saturday, June 19th has been **cancelled** for now.**

Yours in Rotary Service Frank

Convention speak

On Saturday, June 12, 2021, I will be going on the RI website, <https://convention.rotary.org>, to register for the Houston Convention 2022. Not only will I be receiving the maximum discount on my convention registration, but also I will be registering for the hotel of my choice at the earliest opportunity before it sells out of rooms. I will be receiving two benefits, the best price available and the best location to be the most convenient for all the Convention activities. This sounds like a pretty good deal! I hope you agree and join me by doing the same.

Remember, these maximum benefits are only available to you and the Rotarians through June 16, 2021. On June 17, 2021 the registration prices go up by \$50.00 per person. I strongly encourage each of you and your significant others to take advantage of the discounted registration price and the value of the best location for attendance at the Houston Convention. The registration is fully refundable at any time up to the opening of the Convention **minus \$50 per registrant** should one need to cancel for any reason, so please register early!

Yours in Rotary Service, Barry Gainer, DGE

OUR ROTARY FAMILY

Memorial Day event, organized by Frank Krens, was a huge success that was appreciated by all who attended, including our own Lt. General Jay Garner (Ret.) and about 70 others.

Headquarters AFJROTC Maj. Matthew Medlock, senior aerospace science instructor gave the Memorial Day speech. And, a wonderful speech at that!

He also brought the AFJROTC from West Orange High School as Honor Guard. They also did a great job.

We had an incredible singer, Ashley Rosa.

Thanks, Todd for recommending!
