4. Will it be **BENEFICIAL** to all concerned?

PROGRAM OF THE WEEK

**District Governor
Barry Gainer**

DG Barry joined the Seminole County South Rotary Club in 1997 and has had perfect attendance since that time. He acted as President of his club in 2003-2004 and has led his club's youth programs and chaired its Scholarship Committee for most of his tenure. He served on the District RYLA Committee for fifteen years, as District Chair of New Generations and Interact as well as Assistant Governor twice. In addition, he has had the opportunity to lead two Group Study Exchange Teams, one to Taiwan in 2015 and to Argentina in 2016. In his professional life, Barry has worked for Arthur Anderson, Ford Motor Co., a German trading company and also owned a window treatments business for 27 years. In addition, he served on the Seminole County School Board. He has been married to his wife, Lynn, for 50 years and they have two daughters and four granddaughters.

MESSAGE FROM OUR PRESIDENT

Greetings Windermere Rotary Family

It is my pleasure to serve as your 2021-2022 President.

This Tuesday we are honored to host District Governor Barry Gainer as our speaker. Please join us on Zoom if you can't be there in person.

Our newest members are engaged and already making a difference. We heard from Francisco Cidral last week about his fascinating work on brain health and ways we can all reap the benefits. Regiane Cidral organized a group bike ride. Janet James Mahon came up with ten ways we can improve our

engagement with the community. Returning member Stephen Withers is exploring ways to involve Rotary in the new Town facilities. Joe Santangelo was a major contributor to the recent Edgewood Children's Ranch picnic and Russell Gentry is our first corporate member. Wow! What a group!

Thanks to George and Andy, we made progress on updating the Bylaws and other club documents. Budgets and event plans for the year are coming together. As always, bring your ideas.

This week we recognize and honor Byron. He's a multiple Paul Harris Fellow, a Rotarian for 52 years with perfect attendance, and a member of this club since 1988 – president twice, Secretary, Treasurer, and chairman of Club and Community Service, International Service, and many Fundraisers. His District Roles include RLI Instructor, District Committee Chair, and District Service Project Manager. Byron gets things done. Many of the contributions this club has made to the town and community - the back porch and other Town Hall improvements, the veterans memorial, the pavilion - were under his leadership and/or support. Byron is an Air Force veteran, a B-52 pilot before he was a fighter pilot and decorated hero in Viet Nam. He is a business owner (Kissimmee Popcorn) and President of the World Trade Center Orlando, world traveler, and our friend and neighbor. Finishing out the month are two fun club events:

- **Our first “Biking for Friendship” ride Saturday January 24th, organized by Regiane. Take that bike off the wall, pump up the tires, and meet us at the Winter Garden Station of the West Orange Trail at 9am.**
- **Happy hour at Burntwood Tavern, next Monday night July 26 at 6pm. There is no Tuesday morning meeting next week.**

Yours in Rotary Service - Frank

SERVE TO CHANGE LIVES

DG Barry Gainer Welcome 2021-2022

Thursday, July 1, 2021

I am Barry Gainer and it is my distinct honor to serve as your District Governor for 2021-2022.

Rotary International is a group of people serving others worldwide. We are a group of 1.2 million people in 206 countries. Our district membership is approximately 1,650 in 47 clubs from Lake, Orange, Osceola, Seminole and Sumter counties. Collectively, we raise over \$1,000,000 to support local and global communities and their citizens.

Our RI President, Shekhar Mehta, has chosen our theme this year as **“Serving Others To Change Lives”**, a reflection of the core goals of Rotary International as well as in our own communities.

Specifically, this year we will have a District-wide service project to help combat the numerous citizens in our own District by aiming to collect and distribute 1 million meals to food banks, charities and other charitable organizations in our own back yard. We will encourage clubs to do so on their own as well as to form multi-club initiatives to attain this goal.

I will also be encouraging multi-club projects for their local communities which will provide opportunities to make larger impacts than any one club can do on it own. Additionally, we will continue to strongly support our incredible youth programs through RYLA, Interact, Rotary Youth Exchange and our newest program, Youth and Peace in Action (YPA). YPA will be a part of each of our other youth programs as we expect synergistic effects.

We will be continuing to encourage introducing new people into our clubs as a means of membership growth but even more so, to have others enjoy the rewards of serving others. Shekhar Mehta is encouraging us to simply, Each One, Bring One, urging us to ask at least one new friend or associate to the inner rewards of Rotary by becoming a Rotarian. I want everyone to know that our District Leadership is in unison in saying that we are here to serve you and our goal is to be catalysts and facilitators so please let us know how we may serve you. I look forward to meeting each of you during my club visits and other activities.

Be proud to be a Rotarian!

President Frank Krens 2021-2022

Thursday, July 1, 2021

Frank is a genuine Appalachian American farm boy. He knows about cows and rockets, with 18 years on a Pennsylvania dairy farm and a bachelor's in aerospace engineering from Penn State. He worked on laser, infrared, radar-guided missiles, projectiles and ballistic missiles.

Frank and Diane met at Martin Marietta and found to their surprise that they were beginning to enjoy being at work. They will celebrate their 38th wedding anniversary this November. They have one son and a granddaughter, whom they enjoy.

Frank retired in 2013 after 45 years and soon got embroiled in town real estate, the Town Tree Board & consulting at the rocket company.

Frank is a two-time Rotary guy, joining first in the early 1980s (with Win Pendleton & other charter members). He rejoined in 2013 in an attempt to reduce the average age of the membership.

Frank is very familiar with the business world and hard work and claims to be expert at avoiding both.

He enjoys water & snow skiing, yoga, paddle boarding, kayaking, jogging, roller blading, hiking, economics, reading, scrabble, and naps.

Frank's motto is, "Start out slow and then taper." Since he retired from the rocket business and joined Rotary in 2013, he has served as Interact Coordinator, Secretary, Treasurer, Membership Chair, and President-Elect. In addition, he has served on the Windermere Tree Board, Parks and Recreation and Long-Range Planning Committees.

He says "I moved to Windermere in 1979 and absolutely love it here – the people, the lakes, the dirt roads, the whole package."

50 Things You Need to Know About Rotary

(by Steve Garret, District Governor 1994-1995)

5 - ROTARY MOTTOES

The first motto of Rotary International, "He Profits Most Who Serves Best," was approved at the second Rotary Convention, held in Portland, Oregon, in August 1911. The phrase was first stated by a Chicago Rotarian, Art Sheldon, who made a speech in 1910 which included the remark, "He profits most who serves his fellows best." At about the same time, Ben Collins, president of the Rotary Club of Minneapolis, Minnesota, commented that the proper way to organize a Rotary club was through the principle his club had adopted-"Service, Not Self." These two slogans, slightly modified, were formally approved to be the official mottoes of Rotary at the 1950 Convention in Detroit- "He Profits Most Who Serves Best" and "Service Above Self." The 1989 Council on Legislation established "Service Above Self" as the principal motto of Rotary, since it best explains the philosophy of unselfish volunteer service.
