## Weekly Roundabout

**Quote of the Week:** “One does not discover new lands without consenting to lose sight of the shore for a very long time.”  
*André Gide*

### Today’s Program

**Ted Higgins, MD**  
Hope for Haiti  
The development of the Higgins Brothers Surgicenter for Hope

[higginsbrotherssurgicenter.org](http://higginsbrotherssurgicenter.org)

**The 4-Way Test**  
*of things we do and say:*

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Dr Ted Higgins is a well-established general and vascular surgeon in Kansas City who after nearly 40 years of international mission work, built a surgical center in rural Haiti in 2016.

It has developed into the only surgical and trauma center in the region, as well as a surgical training site for Haitian chief surgical residents as they perform roughly 70 operations monthly. A clinic area, serving 1600 medical, pediatric, maternity, HIV, and dental patients monthly, has developed in a recently constructed medical pavilion on the campus. The entire operation is performed and managed by Haitians.

Dr Higgins recently joined his surgical team in Haiti and traveled to the earthquake region where they utilized a functional hospital to perform surgery on earthquake victims.

Dr Higgins is the brother of Margaret Cox, wife of Rotarian Dale Cox.

## **50 Things You Need to Know About Rotary**

### **17 - VOCATIONAL SERVICE**

Vocational Service is the "Second Avenue of Service." No aspect of Rotary is more closely related to each member than a personal commitment to represent one's vocation or occupation to fellow Rotarians and to exemplify the characteristics of high ethical standards and the dignity of work. Programs of vocational service are those which seek to improve business relations while improving the quality of trades, industry, commerce and the professions. Rotarians understand that each person makes a valuable contribution to a better society through daily activities in a business or profession.

Vocational Service is frequently demonstrated by offering young people career guidance, occupational information and assistance in making vocational choices. Some clubs sponsor high school career conferences. Many recognize the dignity of employment by honoring exemplary service of individuals working in their communities. The 4 -Way Test and other ethical and laudable business philosophies are often promoted among young people entering the world of work. Vocational talks and discussion of business issues are also typical vocational service programs at most clubs.

Regardless of the ways that Vocational Service is expressed, it is the banner by which Rotarians "recognize the worthiness of all useful occupations" and demonstrate a commitment to "high ethical standards in all businesses and professions." That's why the Second Avenue of Service is fundamental to every Rotary club.

## Oakland Nature Preserve Walk

This morning we went on the Oakland Nature Preserve Walk with Jackie as our guide. It was a very educational walk and we loved it. It took about an hour as she explained a lot about the preserve, the correct plants to have there and all the work they do as volunteers to keep it healthy and thriving.

Our Guide, Jackie Rolly, also took us in the Rotary Room, with its display of live critters, nature art, and educational materials. Member Florida Native Plant Society (former State and Chapter Officer), Instructor Florida Master Naturalist Program, IFAS
