# MESSAGE FROM OUR RESIDENT

## Greetings Windermere Rotary Family

*It is my pleasure to serve as your 2021-2022 President.*

This Tuesday we welcome Mr. Calvin Wimbish as our speaker. Please come and wear your mask or join us via Zoom. (*Masks are required at all Town of Windermere functions per guidance from Orange County Executive Order 2021-24 dated July 28, 2021.*)

### Our Club:

○ I am delighted to announce and welcome “Team Cidral” to our club Board of Directors. The dynamic duo of Regi and Francisco will co-chair the Public Image role.

○ At this week’s meeting, there will be a Paul Harris Fellow presentation by one of our members. Our club will present a check to Paul Kenard’s submarine veterans’ group.

○ Our Board voted to provide additional funding for the children’s program supported by Emerson Greco’s Rotary club in Brazil. Our contribution fills a real need there and they are very appreciative.

○ We endorse and support Rotary District and International priorities, including: Polio Plus; Diversity, Equity, and Inclusiveness; Each One Bring One; Million Meal Marathon; Youth and Peace Initiative; and Empower Girls. All provide opportunities to get personally involved.

○ George Poelker spearheaded a much-needed clean-out of our storage room at Town Hall. And no, Jimmy Hoffa’s body wasn’t in there. We did find new in-the-box Paul Harris pins, Past President pins, and other unclaimed items. Please see me if these items might be yours. If you’ve long coveted a first-edition copy of one of RCoW charter member Win Pendleton’s books, now’s your chance. Thanks to all who participated.

○ Our next regular meeting will be Tuesday October 12 at Windermere Town Hall, 6:54am. As usual, we will meet both in person and via Zoom. Phil Leopold will send a link.

**2 670 621 618** fully vaccinated or **34.2 %** Worldwide

**185 143 697** fully vaccinated or **56.2 %** US population

**12 331 727** fully vaccinated or **57.4 %** Florida population

**822 620** fully vaccinated or **62.26 %** Orange County

### **Latest News**

With the original version of the virus that causes COVID-19, the country's current vaccination rate of about 65% would have been enough to stop the spread. Unfortunately, the now-dominant delta strain is more than twice as contagious and requires more people to be immune through vaccination or previous infection for the virus to stop spreading, experts say.

“Now we need 85 to 90% vaccinated against delta,” said Dr. Eric Topol, vice president for research at Scripps Research in La Jolla, California, and a national expert on the use of data in medical research.

It's not an impossible number. In countries like Portugal, Singapore and the United Arab Emirates, upwards of 80% of the total population are now vaccinated, and cases and deaths are falling.

That seems unlikely to happen in the United States, where only 55% of the total population is fully vaccinated, and 12% of Americans say are adamantly opposed to it.

# 50 Things You Need to Know About Rotary

## 16 - TOLERANCE OF DIFFERENCES

Occasionally there is a temptation to criticize the laws, customs and traditions of another country which may seem strange or contrary to our own. In some instances illegal practices or customs of one nation are completely lawful and acceptable in another.

As members of an international organization dedicated to world understanding and peace, it behooves Rotarians to exercise restraint in judging our Rotary friends and citizens from other countries when their behavior seems unusual to us. A Rotary policy has existed for more than half a century relating to this dilemma of international relationships.

The statement, adopted in 1933, says that because it is recognized that some activities and local customs may be legal and customary in some countries and not in others, Rotarians should be guided by this admonition of tolerance:

"Rotarians in all countries should recognize these facts and there should be a thoughtful avoidance of criticism of the laws and customs of one country by the Rotarians of another country." The policy also cautions against "any effort on the part of Rotarians of one country to interfere with the laws or customs of another country."

As we strive to strengthen the bonds of understanding, goodwill and friendship, these policies still provide good advice and guidance.
