PROGRAM OF THE WEEK

Tonya Elliott Moore

**Director of Public Works
Town of Windermere**

The 4-Way Test

of things we do and say:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Tonya has promoted the Central Florida region through services including, but not limited to, public works management, strategic planning, water conservation and stormwater implementation, employee and customer relations, and outreach and communication. Prior to joining the Town of Windermere, Tonya most recently served as Community Development District Manager for DPF, based in Lake Mary. She acted as City Manager for 20 community development districts within the state. Her role included providing strategic oversight for areas including citizen engagement, budgeting, operations, maintenance, and repair of the community’s infrastructure.

Tonya holds a Bachelor of Arts in Journalism: Advertising/Public Relations from the University of Central Florida and has begun her Master of Public Administration from the University of Central Florida. Additionally, she is also pursuing her Certified Public Works Manager Certification through the APWA Georgia Chapter at the University of Georgia’s Carl Vinson School of Government.

MESSAGE FROM OUR RESIDENT

Greetings Windermere Rotary Family

It is my pleasure to serve as your 2021-2022 President.

This Tuesday we welcome Windermere Public Works Director Tonya Elliott-Moore as our speaker. Please come and wear your mask or join us via Zoom. (Masks are required at all Town of Windermere functions per guidance from Orange County Executive Order 2021-24 dated July 28, 2021.)

Our Town - There's a lot planned and happening in the Town of Windermere – new Town facilities coming to fruition, road improvements, storm-water control, parks projects, potential solutions to the problems at Bird Island, 1887 Schoolhouse renovation, mini-brewery construction, sidewalk improvements, new multi-modal path, the 500-block development, boat-house resolution, and the big one for us - planning for the pavilion. It's good for us to stay aware and involved. Our voices and our volunteer efforts count.

Our Club - Better knowledge of Rotary is one of our club's Strategic Goals. We're on a roll:

- **District Governor, Barry Gainer, briefed us on District goals, including his aim for District clubs to deliver one million meals to food banks in Central Florida.**
- **District Membership Chair, George Stuart speaks to us next Tuesday August 17th on ways to strengthen membership.**
- **Emerson Greco, our club chairman for International Services, attended the District Virtual Project Fair. Emerson recommends viewing the video to see the great work being done through Rotary Foundation grants by clubs in our district. Here's the link:**
<https://youtu.be/JxzwJ Pz44Y>.
- **Gregg Anderson held his second training session July 2nd on getting the most out of the five Rotary websites.**
- **Several of us attended the excellent on-line training through the Rotary Leadership Institute.**

Are we having fun? - This month we have two fun club events planned:

- **Wednesday August 11th 9am - Our second "Biking for Friendship" ride' organized by Regiane and Francisco Cidral and with a special guest appearance from Orange Cycle. Meet up at the Winter Garden Station of the West Orange Trail. Pick your speed and distance.**
- **Monday August 23th 6-8pm - Happy hour at Burntwood Tavern (No regular meeting Tuesday August 24th at Town Hall).**

50 Things You Need to Know About Rotary

8 - FOUR AVENUES OF SERVICE

The term "Four Avenues of Service" is frequently used in Rotary literature and information. The "Avenues" refer to the four elements of the Object of Rotary: Club Service, Vocational Service, Community Service and International Service. Although the Avenues of Service are not found in any formal part of the constitutional documents of Rotary, the concept has been accepted as a means to describe the primary areas of Rotary activity.

- "Club Service" involves all of the activities necessary for Rotarians to perform to make their club function successfully.
- "Vocational Service" is a description of the opportunity each Rotarian has to represent the dignity and utility of one's vocation to the other members of the club.
- "Community Service" pertains to those activities which Rotarians undertake to improve the quality of life in their community. It frequently involves assistance to youth, the aged, handicapped and others who look to Rotary as a source of hope for a better life.
- The Fourth Avenue, "International Service," describes the many programs and activities which Rotarians undertake to advance international understanding, goodwill and peace. International Service projects are designed to meet humanitarian needs of people in many lands.

When a Rotarian understands and travels down the "Four Avenues of Service," the Object of Rotary takes on even greater meaning.

In 2010 Youth Services was voted by amendment of Legislative Council to become the Fifth Avenue of Service.

- Youth Service refers to the Fifth Avenue of Service of Rotary International. It was officially added by Rotary International in 2010 in order to recognize the positive change implemented by youth and young adults through leadership development activities, involvement in community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.

August 8, 2021 Bobby Bowden, the longtime [Florida State](#) football coach who ranks second all time in Division I wins, has died, the school [announced Sunday morning](#).

He was 91.

"My father passed away peacefully early this morning with all six of his children and my mother here by his side," Bowden's son Terry said in a statement. "I couldn't have asked for a better personal mentor than my father. He was a wonderful husband and father, who relied on his strong Christian faith to provide the foundation for his life. I also was fortunate to be raised by a football coach who had a reputation for coaching the right way his entire career. He was admired by everyone who played for him or coached against him."

Bobby Bowden was diagnosed with a terminal medical condition in July. He did not disclose what the condition was at the time, although Terry later told reporters that it was pancreatic cancer.

"I've always tried to serve God's purpose for my life, on and off the field, and I am prepared for what is to come," Bobby Bowden said in a statement announcing the condition. "My wife Ann and our family have been life's greatest blessing. I am at peace."

Bowden also dealt with what he called a "tough" bout of COVID-19 in 2020, which came a few days after returning to his Tallahassee home from a lengthy hospital stay for an infection in his leg.

"Florida State University has lost a legend in the passing of Bobby Bowden," university president John Thrasher said in a statement. "On behalf of everyone at FSU, Jean and I extend our deepest condolences to Ann and the Bowden family. Coach Bowden built a football dynasty and raised the national profile of Florida State University, and he did it with class and a sense of humor. While he leaves an incredible legacy as one of the best football coaches in collegiate history, he also will be remembered for his great faith, his love of family and his mentorship of countless young people. He will be profoundly missed."

A public funeral service will be held for Bowden on Saturday on Florida State's campus. Public viewings will take place at FSU's Doak Campbell Stadium on Friday and on the campus of Samford University, his alma mater, on Sunday.

OUR ROTARY FAMILY

Norma spent the day at West Orange High School recruiting members for the Interact Club at the *Welcome Warriors* open house. She spoke with over 100 students and is optimistic many of them will sign up to join the club.
