The 4-Way Test

of things we do and say:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Glyn is a certified financial planner professional with a comprehensive financial planning practice that specializes in the areas of investments. In 2000 he opened his wealth management practice after a 13-year career as a commercial lender/private banker with SunTrust Bank and Bank of America. Financial planning has provided Glyn the opportunity to assist clients and their families throughout their lives. His goal is to help his clients enjoy financial independence, fund their children's educations, and create the lifestyle they wished for in retirement.

Glyn attended the University of Florida, where he would receive his bachelor's degree in finance. A longtime resident of Central Florida, he is a dedicated advocate to his community. Glyn has been a contributor to the *Ask an Expert* and *Money Matters Hotline* columns in the *Money* section of the Orlando Sentinel for the past 11 years. He has served on various distribution panels within the United Way, and as president and assistant district governor in the Rotary Club of Windermere. He and his wife Kerry belong to the Rotary Club of Winter Garden.

MESSAGE FROM OUR RESIDENT

Greetings Windermere Rotary Family

It is my pleasure to serve as your 2021-2022 President.

This Tuesday we welcome Glyn Griffis as our speaker. Please come and wear your mask or join us via Zoom. (*Masks are required at all Town of Windermere functions per guidance from Orange County Executive Order 2021-24 dated July 28, 2021 and extended 2021-28*)

Our Town – Upcoming Events and Meetings:

- The Historic Preservation Board, led by George Poelker, will meet at 6:30pm September 1 at the 1887 Schoolhouse at 133 W 7th Avenue. Check out the authentic renovation they've done. Town committee and board meetings are always open to the public.

- Town staff is planning a 9-11 remembrance ceremony for September 11 at the 9-11 Memorial behind Town Hall. It's been 20 years.
- COVID vaccinations are now available at the Friday Farmers' Market.

Our Club is what we make it – Together we make it better, more productive, and more enjoyable. Bring your ideas. Things we will/can do:

- **Membership** – Each one bring one, who is your one person?
- **Classification Talks** – Tell us about your life/work experiences, passions, travels,...
- **Committee Participation** – What committee(s) appeals to you? Youth Services? Public Image? Events? Foundation? International Service? Vocational Service? Membership? Club Service? Adventure? Each brings meaningful giving, sharing, and learning.
- **Participation with Other Clubs** – Attend their meetings, share speakers and ideas, partner on events, make a new friend.
- **Signature Events** – Topgolf (2 are planned this Rotary year), Lobster Dinner maybe?

As a club, here are some of the ways we give:

- thru contributions from our service budget using money from previous year fundraisers,
 - using residual funds from our Veterans Memorial project, dedicated to support to veterans,
 - thru charitable events approved and funded by our major sponsor, Orlando Health,
 - thru work projects, contributing our labor and ingenuity,
 - by serving on community boards and committees, and
 - with money we give to the Rotary Foundation thru "sustaining contributions" along with our dues - and thru Paul Harris Fellowships and endowments.
- **Fun Activities** – The next bike ride, kayak/paddleboard, mystery trip, lake tour, water skiing,...

Our next regular meeting will be Tuesday September 7th at Windermere Town Hall, 6:54am. As usual, we will meet both in person and via Zoom. Phil Leopold will send a link.

Yours in Rotary Service - Frank

Another [study](#) finds that while the new coronavirus variants might be more infectious, there's still no evidence that they cause more severe disease.

“Scientists have now studied this and have found that these variants do tend to spread faster, they're more transmissible or more infectious,” said [Vismita Gupta-Smith](#), public information and advocacy officer at the WHO, in a [statement](#). “However, so far, they do not seem to cause more severe illness or a higher death rate or any sort of different clinical manifestations.” She added that the variants behave much like SARS-CoV-2 and cause similar disease.

11 - WOMEN IN ROTARY

Until 1989, the Constitution and Bylaws of Rotary International stated that Rotary club membership was for males only. In 1978 the Rotary Club of Duarte, California, invited three women to become members. The RI board withdrew the charter of that club for violation of the RI Constitution. The club brought suit against RI claiming a violation of a state civil rights law which prevents discrimination of any form in business establishments or public accommodations. The appeals court and the California Supreme Court supported the Duarte position that Rotary could not remove the club's charter merely for inducting women into the club. The United States Supreme Court upheld the California court indicating that Rotary clubs do have a "business purpose" and are in some ways public-type organizations. This action in 1987 allowed women to become Rotarians in any jurisdiction having similar "public accommodation" statutes.

The RI constitutional change was made at the 1989 Council on Legislation, with a vote to eliminate the "male only" provision for all of Rotary.

Norma Sutton joined the Rotary Club of Windermere in 1988, invited by Carl Patterson. She was the first women member in Central Florida. Win Pendleton asked her to bake the birthday cakes but she was told he was the comedian of the club. He later told her he was very glad to have her as a member. She was refused attendance at the Rotary Club of Berlin in 1990 but welcomed in both Amsterdam and Rome!
