MESSAGE FROM OUR PRESIDENT

Greetings Windermere Rotary Family

It is my pleasure to serve as your 2021-2022 President.

We meet socially the 4th Monday each month. So, there is **NO Tuesday morning** meeting this week. Instead, it's Burntwood Tavern at 6pm Monday January 24. Thanks to Byron for setting it up.

The Windermere Tree Give-away went well on Saturday in spite of the cold damp weather. Thanks to Tree Board Chairperson Susan Carter and all the volunteers. Our club provided sandwiches, coffee, and snacks from Paloma Coffee Shop and they were a big hit.

Both Boards of Directors met via Zoom on January 19, covering all club business and activities. Here are a few notes from this month's meetings:

- Another Topgolf event is being planned for April or May.
- Orlando Health continues to financially sponsor our charitable events, increasing the good work we can do in the community.
- We are taking applications for this year's RYLA camp with plans to send five Interact students.
- We are close to meeting our goal of "Every Member Every Year" contribution to the Rotary Foundation.
- We are expanding our use of social media and Rotary branding products to help get out the word.
- Ideas are brewing for a mystery trip. Remember those?
- Plans for the pavilion are progressing with completion of a Request for Quote (RFQ) for the Design and Build effort.

Please let me know if you want to participate in any of these meetings or to be included in distribution of the minutes. If you haven't responded to the request to update the information in your bio, please do.

Our club President-Elect Jim Schuppert will have the opportunity to meet Rotary International President-Elect Jennifer Jones at the President-Elect Training (PETS) in Orlando in March. Jennifer will be the Keynote Speaker at the event. She will be RI's first female president.

Next regular meeting - Tuesday February 1, 6:54am at Town Hall. As usual, it's in person and via Zoom.

Yours in Rotary Service - Frank

It's too early to tell whether Americans will need a fourth [vaccine](#) shot, Fauci said. About 80% of people ages 5 and older who are eligible have received at least one vaccine dose, and 67% are considered fully vaccinated, according to the [latest CDC data](#). About 43% of adults have received a booster shot.

“We do know -- and these are the recent data that have come out from the CDC -- that, even with Omicron, boosting makes a major, major difference in protecting you from hospitalization and severe outcomes,” he said.

50 Things You Should Know About Rotary

28 - WORLD COMMUNITY SERVICE

World Community Service is the Rotary program by which a club or district in one country provides humanitarian assistance to a club in another country. Typically the aid goes to a developing community where the Rotary project will help raise the standard of living and the quality of life. The ultimate object of World Community Service is to build goodwill and understanding among peoples of the world.

One important way to find a club in some other part of the world which needs help on a worthy project is to use the WCS Projects Exchange, a list of dozens of worthy activities in developing areas. The exchange list is maintained in the RI Secretariat in Evanston and is readily available upon request. It outlines projects, provides estimated costs and gives names of the appropriate contacts.

Clubs which need assistance, or are seeking another club to help with a humanitarian project, such as building a clinic, school, hospital, community water well, library or other beneficial activity, may register their needs. Clubs seeking a desirable World Community Service project may easily review the list of needs registered in the Projects Exchange. Thus, the exchange provides a practical way to link needs with resources.

Every Rotary club is urged to undertake a new World Community Service project each year. The WCS Projects Exchange list is an excellent tool to find a real need, a project description and cooperating club in a developing area. The job then is to "go to work" to complete the project, and at the same time build bridges of friendship and world understanding.

New Wheel in Windermere!

Look at our blow up Rotary Wheel. Our secretary and other members put it up each Tuesday before our meeting. That will be seen by the approximately 10,000 cars that pass through town in the morning! Talk about exposure, eh?

Thanks, Chuck, for doing this!
