The 4-Way Test
of things we do and say:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

David Hanna is a wholesaler at Capital Group, home of American Funds, responsible for covering central Florida. He has 19 years of industry experience and has been with Capital Group for nine years.

Prior to joining Capital, David worked as a regional vice president at John Hancock Asset Management.

MESSAGE FROM OUR PRESIDENT

Greetings Windermere Rotary Family

It is my pleasure to serve as your 2021-2022 President.

Last week we inducted Vijay Wagh. This week we welcome Calvin Wimbish. This is becoming a regular event. Thanks and congratulations to Byron and Norma for making **TopGolf** a success. Our group, including three of our newest members, gathered along Main Street in front of Town Hall on **Veteran's Day** to show the flag and our posters and wave to the commuter traffic – recognizing and honoring those who served. We have a **Fireside Chat** for new and prospective members, their sponsors, anyone who wants a refresher on our club and Rotary overall. This is at 6pm **Nov. 18**, via Zoom. Happy Hour at Burntwood Tavern is next Monday **Nov. 22**, 6-8pm (And, no regular meeting Tuesday November 23 at Town Hall.) So, our next regular meeting will be November 30. As usual, it's both in person and via Zoom. Then our **Club Holiday Party** - December 6, Town Hall. Always a great time. Then our last regular meeting of the year is December 14.

Our **Semi-annual Club Meeting** will be **Dec. 7** and will include the election of board officers and directors for July 2022 - June 2023, our club health, progress toward our Strategic Plan, other club business. And there is a **Board meeting** tonight at my house at 7 pm/Remember, the **Poker Tournament** is Saturday **Nov. 20**, a Rotary Club of Orlando fundraiser, promoted by Craig Lee and former club member Glyn Griffis.

By the Way, the new Town Offices are dried in and interior painting is underway. Next come bathroom fixtures and cabinets, then flooring, ceiling tiles, carpet and graphics. Furniture is on order, exteriors are being prepared for painting, sidewalks are going in and site clean-up is underway. Expected move in is February. Other news in the Town includes that pickleball is coming to one of our parks and other upgrades are planned.

Remember too, **Light Up Windermere** is Friday **Nov. 19**, 5:30pm – 9:30pm and the **“Holiday Hoopla”** (Town Holiday Party) is **Dec. 3**, 6:30 – 9:30pm. Let me know if you need an invitation card from the Hoopla committee. It's your ticket.

Yours in Rotary Service - Frank

LATEST NEWS

1. New variants of the virus are expected to occur. Taking measures to reduce the spread of infection, including getting a COVID-19 vaccine, is the best way to slow the emergence of new variants.
2. Vaccines reduce your risk of severe illness, hospitalization, and death from COVID-19.
3. All COVID-19 tests can detect known variants, but they will not tell you which variant you have.

Vaccination Update as of November 13, 2021

3 210 992 718 fully vaccinated or **41.2 %** Worldwide

193 650 502 fully vaccinated or **58.8 %** US population

13 000 113 fully vaccinated or **60.5 %** Florida population

868 150 fully vaccinated or **62.3 %** Orange County

Latest News

It's the pandemic milestone many families have been waiting for: a COVID-19 vaccine to protect younger kids.

Both the Federal Drug Administration and Centers for Disease Control and Prevention have officially approved emergency authorization for kids ages 5-11 to receive Pfizer-BioNTech's COVID-19 vaccine.

The approval paves the way for roughly 28 million more kids to be eligible for COVID-19 vaccination across the United States and comes at a pivotal moment with schools reopened and the highly contagious Delta variant affecting more children.

Why should children get vaccinated?

It's important for children to get the COVID vaccine to protect themselves and others. While less common than with adults, children can still get infected with COVID, [in some cases](#) experiencing severe symptoms requiring hospitalization. Children can also spread COVID, again at lower rates than adults, which puts family and friends at risk and increases the risk of a clinically important mutation occurring (potentially translating to risk of a new variant).

The [CDC closely monitors](#) COVID vaccination safety, and recommends that children 5 years or older get vaccinated. As of May 2021, the Pfizer vaccine is the only one authorized for children ages 5 to 17. Clinical trials were conducted to ensure that it is safe for this age group.

SUCCESS!!!

Great success with our TopGolf event last week. We had about 70 attend and we received lots of compliments. The Interact students did a great job, the silent auction was beautifully set up and many, many thanks to Sterling Hall. Sterling gave a week in his house in the Turks & Caicos which sold for a tidy sum. We achieved our goal to raise some money for our service projects for next year. Looks like an early estimate is about \$14,000.

Thank you to all who came, all who bought and/or sold tickets, purchased items from the silent auction and sponsored the event.

VETERAN'S DAY WAVING

Good turn out on Veteran's Day - 7 or 8 of us spent 7 – 9 am waving to passing vehicles to remember the Vets. Lots of horn honking, thank-you's and *God Bless* shouted back!
