The 4-Way Test
of things we do and say:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

MESSAGE FROM OUR PRESIDENT

Greetings Windermere Rotary Family

It is my pleasure to serve as your 2021-2022 President.

We meet socially the 4th Monday each month. So, **NO** Tuesday morning meeting this week. Instead, it's Burntwood Tavern at 6pm Monday November 22. Thanks to Byron for setting it up.

Our Club:

○ **Fireside Chat** - I enjoyed the fireside chat for our newest members, Vijay Wagh and Calvin Wimbish, held via Zoom on November 18. Thanks to their sponsors Chuck Barcus and Tom Johnson, and to Joe Santangelo, Phil Leopold, and Andy Agoos, for making it a casual and productive get-to-know-each-other session. Vijay and Calvin are wasting no time engaging in club service. Both enjoy teaching and mentoring kids and are looking at Vocational Service as a perfect fit for their interest, talents, and experience. Vijay has been nominated to serve in the key role of club Secretary for the Rotary 2022-2023 year and Chuck has offered to train and mentor him. That's how it's supposed to work.

- **Thanksgiving** – Wishing all a wonderful time with family and friends.
- **Holiday party** December 6 at our favorite spot – Town Hall. The Edgewood kids will come and sing to us again. Huge thanks to Karen for organizing it.
- **Our next regular meeting** is at 6:54am Tuesday November 30 at Town Hall - in person and via Zoom. Phil Leopold provided a new link for meetings starting November 30:

Our Town:

- **Christmas Gift Collection** – Drop off unwrapped toys or Walmart gift cards at the Windermere Police Department through December 3.
- **No Farmers Market** on Friday, November 26, the day after Thanksgiving.

Yours in Rotary Service - Frank

LATEST NEWS (McKinsey & Company)

We have previously written about herd immunity as a likely epidemiological endpoint for some countries, but the Delta variant has put this out of reach in the short term. Instead, it is most likely as of now that countries will reach an alternative epidemiological endpoint, where COVID-19 becomes endemic and societies decide—much as they have with respect to influenza and other diseases—that the ongoing burden of disease is low enough that COVID-19 can be managed as a constant threat rather than an exceptional one requiring society-defining interventions. One step toward this endpoint could be shifting the focus of public-health efforts from managing case counts to managing severe illnesses and deaths. Singapore’s government has announced that it will make this shift, and more countries may follow its lead.²⁰

Latest News

What is a COVID-19 vaccine booster?

A COVID booster shot is an additional dose of a vaccine given after the protection provided by the original shot(s) has begun to decrease over time. Typically, you would get a booster after the immunity from the initial dose(s) naturally starts to wane. The booster is designed to help people maintain their level of immunity for longer. Please note, if you receive the Moderna booster, you will receive half of the original Moderna dose. An **additional dose** is administered to people with moderately to severely compromised immune systems. This additional dose is intended to improve immunocompromised people's response to their initial vaccine series. Depending on the original series given, some details will vary.

SUCCESS!!!

Great success with our TopGolf event last week. We had about 70 attend and we received lots of compliments. The Interact students did a great job, the silent auction was beautifully set up and many, many thanks to Sterling Hall. Sterling gave a week in his house in the Turks & Caicos which sold for a tidy sum. We achieved our goal to raise some money for our service projects for next year. Looks like an early estimate is about \$14,000.

Thank you to all who came, all who bought and/or sold tickets, purchased items from the silent auction and sponsored the event.
