Windermere Rotary Club

Weekly Roundabout

Quote of the Week: *“If you have the love of your fellow men in your hearts, my friends, you are a potential Rotarian.”*

Ann Landers

The 4-Way Test
of things we do and say:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Today's Program

Vijay Wagh & Calvin Wimbish
Classification Talks

A classification describes the distinct and recognized business or professional service which the Rotarian renders to society.

Though the classification principle is not as dominant as it once was it is still important that we make an effort to assure that each Rotary club represents a cross section of the business and professional service of the community.

LATEST NEWS (WebMD)

Nov. 26, 2021 -- The World Health Organization on Friday classified a new COVID-19 variant from South Africa as a “variant of concern,” which means it could be more contagious, cause more severe disease and reduce the efficacy of [vaccines](#) and treatments. Omicron has some concerning properties. This variant has a large number of mutations, and some of these mutations have some worrying characteristics,” Maria Van Kerkhove, the WHO’s technical lead on the [coronavirus](#) pandemic, said in a video statement.

“Preliminary evidence suggests an increased risk of reinfection with this variant, as compared to other [variants of concern],” the WHO said in a statement. “The number of cases of this variant appears to be increasing in almost all provinces in South Africa.”

Vaccination Update as of November 24, 2021

3 333 599 017 fully vaccinated or **42.7 %** Worldwide

194 797 007 fully vaccinated or **59.1 %** US population

13 100 793 fully vaccinated or **61.0 %** Florida population

875 920 fully vaccinated or **66.3 %** Orange County

Latest News

Data from small clinical trials show that vaccine effectiveness against COVID-19 infection is waning after the primary series, but protection remains high against severe disease and hospitalization. Clinical trial data show a booster shot of Pfizer-BioNTech's COVID-19 vaccine is effective in protecting against COVID-19, adding to other evidence demonstrating that a booster shot may result in increased effectiveness compared to primary vaccination.

Holiday Party

The Annual Rotary Christmas Party

Hosted by: RCoW Board of Officers and Directors

Monday, December 6 at 6:00 PM ET

Windermere Town Hall

Bring your family and celebrate the season! The club is providing the protein (ham and turkey), so please bring either an appetizer, salad, veggie dish or a dessert. We will be collecting unwrapped toys for Toys for Tots and we will end the evening with the fun "White Elephant" gift exchange. A white elephant gift exchange is an opportunity to "regift" a item that you might have received that probably needs a new home! If you don't have one you can purchase a gift, not to exceed \$15. So, please bring a wrapped white elephant gift and participate in the fun!

Please RSVP with the number of people by Wednesday, Dec. 1st.
