# MESSAGE FROM OUR PRESIDENT

## Greetings Windermere Rotary Family

*It is my pleasure to serve as your 2021-2022 President.*

**The following is the Rotary International statement on Ukraine conflict:** It is a tragic and sad time for the people of Ukraine and the world. At Rotary, we are deeply concerned by the deteriorating situation in Ukraine and the escalating loss of life and humanitarian hardship there. Continued military action against Ukraine will not only devastate the region, but also risk spreading tragic consequences across Europe and the

world. As one of the world's largest humanitarian organizations, we have made peace the cornerstone of our global mission. We join the international community in calling for an immediate cease fire, withdrawal of Russian forces, and a restoration of diplomatic efforts to resolve this conflict through dialogue.

In the past decade, Rotary clubs in Ukraine, Russia and nearby countries have transcended national differences and have actively engaged in peace-building projects to promote goodwill and to marshal assistance for the victims of war and violence. Today, our thoughts are with our fellow Rotary members and others in Ukraine coping with these tragic events. Rotary International will do everything in its power to bring aid, support and peace to the region.

*Rotary International 25-Feb-2022*

Here at home, our club's outreach at the Windermere Art Show made new friends, connected with over a dozen potential future members, and got the attention of all the traffic through town Saturday and Sunday. Huge thanks to Regiane for paying for our booth space by publicizing the event on Facebook, Instagram, and Nextdoor. Thanks to Gregg Anderson, Chuck and Dorie Barcus, Andy and Deborah Agoos, Phil and Ginger Leopold, Tom Johnson, Byron and Norma Sutton, Regiane Cidral, Paul Kenard, and Karen and Don Hairston for being our face to the public for two days. Thanks to event organizer, Anne McDonough of Tranquiliti Wellness Center, for giving us a prime location in exchange for our efforts to publicize the event, and to Public Works for providing the power for our inflatable sign. What a team!

**Yours in Rotary Service - Frank**

### LATEST NEWS (CDC)

The first known Covid-19 case was a vendor at the live-animal market in Wuhan, according to a scientist who has scrutinized public accounts of the earliest cases in [China](#).

The chronology is at odds with a timeline laid out in an influential [World Health Organization](#) (WHO) report, which suggested an accountant with no apparent link to the Hunan market was the first known case.

The latest report adds weight to the theory that the virus originated from wildlife sold at the market, rather than as a leak from a Wuhan virology lab, and raises questions about how the apparent error was overlooked in the joint WHO-China inquiry.

The report, by Michael Worobey, the head of ecology and evolutionary biology at the University of Arizona, will reignite the debate about the origins of the pandemic, which remains unresolved and continues to fuel tensions between China and the US.

## Vaccination Update as of February 26, 2022

**4 370 620 059** fully vaccinated or **56 %** Worldwide

**214 746 544** fully vaccinated or **65.2 %** US population

**14 155 716** fully vaccinated or **65.9 %** Florida population

**951 982** fully vaccinated or **72 %** Orange County

### **Latest News (US News)**

The number of new people getting vaccinated in America has steadily declined in recent months, according to Centers for Disease Control and Prevention (CDC) [data](#). The seven-day average of new vaccinations now mirrors the rates from December 2020, when there was a limited supply of the vaccines.

But doctors emphasize that the virus remains a threat in the US and that people who are not vaccinated are at greater risk of become severely ill or dying. They point to the fact that the seven-day average of new cases on 23 February in the United States was 76,667, according to the [New York Times data](#). On 23 February last year, the seven-day average was 67,854.

The seven-day average of deaths on those dates were also not much different: 1,908 and 2,056.

## **50 Things You Should Know About Rotary**

### **33 - ROTARY FRIENDSHIP EXCHANGE**

An interesting Rotary program of fellowship is the Rotary Friendship Exchange. This activity, originally recommended by the New Horizons Committee in 1981, is intended to encourage Rotarians and spouses to visit with Rotarian families in other parts of the world. It may be conducted on a club-to-club or district-to-district basis.

The idea is for several Rotarian couples to travel to another country on the Rotary Friendship Exchange. Later the hospitality is reversed when the visit is exchanged. After a successful pilot experiment, the Rotary Friendship Exchange has become a permanent program of Rotary. The Rotary Friendship Exchange is frequently compared to the Group Study Exchange program of The Rotary Foundation, except that it involves Rotarian couples who personally pay for all expenses of their inter-country experience. Doors of friendship are opened in a way which could not be duplicated except in Rotary.

Rotarians seeking an unusual vacation and fellowship experience should learn more about the Rotary Friendship Exchange. Some unusual Rotary adventures are awaiting you!
