## Weekly Roundabout

**Quote of the Week:** *"The chapter you are learning today is going to save someone's life tomorrow. Pay attention."* KhanGal

**The 4-Way Test**  
of things we do and say:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

### Today's Program

**Dr. Deborah German**  
VP Health Affairs &  
Dean UCF Medical School

**Dr. Deborah German**, a physician, educator, and administrator, is Vice President of Health Affairs for the University of Central Florida and the Founding Dean of the College of Medicine. Dr. German received her M.D. from Harvard Medical School. She was a Resident in Internal Medicine at Rochester and a Fellow in Rheumatic and Genetic Diseases at Duke, where she was a researcher in the Howard Hughes Medical Institute. She was the Associate Dean of Medical Education at Duke and later the Senior Associate Dean of Medical Education at Vanderbilt University. She served as President and Chief Executive Officer at Saint Thomas Hospital in Nashville where she led a successful hospital turnaround that received national recognition.

As Vice President of UCF Health Affairs and Dean, College of Medicine, Dr. German has led the development of a research-based medical school and a patient-centered clinical enterprise that anchors the growing UCF Academic Health Sciences Campus in Lake Nona.

# MESSAGE FROM OUR PRESIDENT

## Greetings Windermere Rotary Family

*It is my pleasure to serve as your 2021-2022 President.*

How would we pick if we had the following choices for this week's meeting?

- Listen to an accomplished speaker on an important topic in our community
- Induct energetic new members into the club
- Host a group of high achievers from the Edgewood Children's Ranch
- Share a casual breakfast with friends and neighbors
- Give thanks, salute the flag, sing, welcome guests, share good news, catch up.

Easy, all of the above. We'll have a great meeting. Especially if YOU are there.

This week our speaker, Dr. Deborah German, will tell us about the UCF Health Sciences Campus at Lake Nona. The UCF Health Sciences Campus is a 50-acre state-of-the-art complex for medical education, health sciences education, and biomedical research located 25 miles south of UCF Orlando campus. Dr. German is VP of Health Affairs and Dean of the UCF College of Medicine.

Over the last few months we've gotten to know and appreciate Lily Storm and Diego and Fiorella Grieco. Diego and Fiorella are brother and sister, grew up in Venezuela, and are new to Windermere and the U.S. Lily owns a business, oversees a charitable foundation (Lady Storm Foundation), is an author, and is already an accomplished Rotarian. We are delighted to offer them membership in Rotary and to induct them into our club at this week's meeting.

The second Tuesday of each month, Lynn Hotalen of Edgewood Children's Ranch honors several of their outstanding students and gives us a chance to meet and get to know them by bringing them to our meeting and introducing them. (To learn more about Edgewood Ranch, the amazing work they do to help kids and heal families, and how you can help - <https://edgewoodranch.com> ).

Our delicious breakfast sandwiches on bagels, English muffins, and croissants are provided by Paloma Coffee Shop, across the street from Town Hall at 507 Main Street. Owner Marcilino (Lino) Hoyo or manager Megan Barnes gets up early on Tuesdays to make the sandwiches especially for us. (Their shop opening time is 8am.) Our members provide fruit, yogurt, and coffee - setting up the coffee the night before on a timer.

Next **Tuesday, April 19**, starting at 7am, we'll be at Thornebrooke Elementary School, where we will be served breakfast and will hear the fifth-grade winners of our annual 4-Way Test essay contest tell how the 4-Way Test helped them. All members and guests are invited. Please attend, you'll be glad you did. We are still seeking sponsors for this program, which we also conduct at Edgewood Ranch and Windermere Elementary.

On **Monday April 25** (always the fourth Monday of the month), we meet at 6pm at Burntwood Tavern, at Conroy Road and Dr. Phillips Blvd for casual conversation and refreshments. All members and guests are invited. Cheers!

So please mark your calendars for the two local "off-site" meetings above then our next regular meeting on Tuesday May 3.

**Yours in Rotary Service - Frank**

### **LATEST NEWS**

April 4: [It's time to consider relaxing mask requirements on flights](#)  
(Washington Post)

In this op-ed, [Joseph Allen](#), associate professor of exposure assessment science and director of the [Healthy Buildings](#) program, argued for lifting mask requirements during flights because “one of the safest parts of an entire trip is when travelers are seated in the airplane and the systems are running.” Allen also recommended that airplanes keep their systems running when they’re parked at the gate, and that airlines require people to mask when boarding and disembarking, “when there is greater mixing of people in the cabin and when people are exerting themselves more and therefore emitting more respiratory particles.”

March 29: [F.D.A. Allows Second Coronavirus Boosters for Everyone 50 and Older](#) (New York Times)

People aged 50 and older are now eligible for a second COVID-19 booster, although experts continue to debate just how helpful these boosters will be. At this point, “each additional dose is offering marginal value,” said [Eric Rubin](#), adjunct professor of immunology and infectious diseases at Harvard Chan School and a member of the FDA’s vaccine advisory committee. He said that what’s most needed now is a vaccine that works better against the new variants.

# **50 Things You Should Know About Rotary**

## **39 - THE ROTARY FOUNDATION'S BEGINNING**

Some magnificent projects grow from very small seeds. The Rotary Foundation had that sort of modest beginning. In 1917 RI President Arch Klumph told the delegates to the Atlanta Convention that "it seems eminently proper that we should accept endowments for the purpose of doing good in the world." The response was polite and favorable, but the fund was slow to materialize. A year later the "Rotary Endowment Fund," as it was first labeled, received its first contribution of \$26.50 from the Rotary Club of Kansas City, which was the balance of the Kansas City Convention account following the 1918 annual meeting. Additional small amounts were annually contributed, but after six years it is reported that the endowment fund had only reached \$700. A decade later, The Rotary Foundation was formally established at the 1928 Minneapolis Convention. In the next four years the Foundation fund grew to \$50,000. In 1937 a \$2 million goal was announced for The Rotary Foundation, but these plans were cut short and abandoned with the outbreak of World War II.

In 1947, upon the death of Paul Harris, a new era opened for the Rotary Foundation as memorial gifts poured in to honor the founder of Rotary. From that time, The Rotary Foundation has been achieving its noble objective of furthering "understanding and friendly relations between peoples of different nations." By 1954 the Foundation received for the first time a half million dollars in contributions in a single year, and in 1965 a million dollars was received.

It is staggering to imagine that from those humble beginnings, The Rotary Foundation is now receiving more than \$85 million each year for educational and humanitarian work around the world.
