Meeting in the TownHall @ 6:54 AM
& via Zoom except 4th Monday night social

Windermere Rotary Club

Weekly Roundabout

Quote of the Week: "The rules of soccer are very simple, basically it is this: if it moves, kick it. If it doesn't move, kick it until it does."

Phil Abraham

Today's Program

KAY RAWLINS

Senior VP of Community Relations
President Orlando City Foundation.

The 4-Way Test *of things we do and say:*

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Kay's role includes speaking engagements on behalf of the Club, community outreach, sending players to schools and youth groups and encouraging staff and fans to join community projects. Kay heads up the Orlando City Foundation and is a board member for Cannonball Kids cancer, Central Florida Foundation, 4 Rivers Foundation, Florida Sports Foundation, WISE Greater Orlando, All Women Empowered and is on the Advisory Committee of the US Global Leadership Coalition. Kay gave a talk at TEDx Orlando 2017 and was awarded 2016 Businesswoman of the Year by the Orlando Business Journal, Corporate Ally of the Year 2019 by the Pride Chamber, Women In Leadership 2021 by the Greater Orlando Sports Commission and included in Florida Trend 500 Most Influential Business Leaders in 2020/21.

MESSAGE FROM OUR PRESIDENT

Greetings Windermere Rotary Family

It is my pleasure to serve as your 2021-2022 President.

Member Retention – Rotary is about Service Above Self. But like all organizations, we need to do what it takes to maintain our continued viability and strength to fulfill our mission – including maintaining our membership base.

To me, “Member Retention” sounds cold and administrative. I think there is a better, more satisfying, and possibly more productive way to think about it – and to act.

I think it’s really about relationships, friendships, caring about each other, creating a true family spirit as we implement ‘Service Above Self’. *Of the things we think, say, and do*, often it’s the little things that make a difference.

Our club has a written member retention plan. It has the obligatory action plans and such, but is focused on getting to know each other better, understanding how together we can provide solid value to all of our members regardless of what stage of life and membership they are in. We know that as members our needs, desires, and situations change over time.

The New Kids - New members may find that Rotary is not what they expected, or doesn’t fit their schedule or budget. But more likely it’s about the relationships, or lack thereof. New members especially need to feel welcome, supported, encouraged, and engaged. Effective communications, meaningful induction and orientation processes, fun events, training, and involvement on a committee all help.

The Troupers – Longer term members may benefit from a leadership role where they can apply or nurture their life skills, talents, and connections. Serving on the Board of Officers and Directors, or mentoring newer members to fill those or other roles may satisfy that need. Serving in a leadership role builds confidence, connections, recognition, and feelings of value and influence. Some of us are in a stage where it’s mostly about the social aspects and connections, and that works too.

Please Come Back - There is nothing quite like welcoming a prior member, a friend, back. Rekindling of a previous close relationship may be just what it takes to encourage a former member to rejoin.

So, if terms like “Member Retention” make you cringe, as they do me, put “building relationships, friendships, family” on your list instead. It’s better.

A club processes / initiative like member retention is chaired by club officers or directors, but it must be supported by every club member. We need everybody on board.

Yours in Rotary Service - Frank

Covid-19 Situation in numbers (by WHO Region)

Total as of April 4, 2022

Global 492 085 441 cases 6 177 331 deaths 1.25 % death rate

Global Population 7,900,000,000 est. cases 6.23 % of population

58 829 305	Currently Infected	99.9%	Mild
55 496	Serious or Critical	0.1%	Serious

Africa 11 764 333 cases 252 873 deaths

Americas 152 873 189 cases 2 732 929 deaths

Europe 180 521 484 cases 1 776 513 deaths

Asia 141 220 015 cases 1 405 637 deaths

US 81 833 473 cases 1 008 201 deaths 1.23 % death rate

Florida 5 885 390 cases 73 018 deaths 1.24 % death rate²

Orange Co. 375 266 cases 2 763 deaths 0.72 % death rate

LATEST NEWS (NBC Update)

As Covid-19 cases continue to fall in the United States, cases of another virus are rebounding to pre-pandemic levels. Outbreaks of norovirus, the bug responsible for the dreaded stomach flu, have been on the rise since January, according to the [Centers for Disease Control and Prevention](#).

From August 2021 through the beginning of last month, the CDC reported 448 [norovirus outbreaks](#). During the same time period the previous year, just 78 were reported. Since early January, the number of weekly outbreaks has risen from fewer than 10 to more than 50. The data is based on reports from state health departments in Massachusetts, Michigan, Minnesota, Nebraska, New Mexico, Ohio, Oregon, South Carolina, Tennessee, Virginia, Wisconsin and Wyoming.

There's no data to suggest that the norovirus outbreaks are in any way linked to the omicron variant of the coronavirus. But it may be possible that the lifting of Covid restrictions is helping the virus spread. Norovirus, which causes vomiting and diarrhea, is highly contagious and spreads from person to person through surfaces.

Vaccination Update as of April 3, 2022

4 567 274 640 fully vaccinated or **58.6 %** Worldwide

217 834 304 fully vaccinated or **66.1 %** US population

14 283 629 fully vaccinated or **66.5 %** Florida population

961 519 fully vaccinated or **72.78 %** Orange County

Latest News (US Census Bureau)

Adults who had not received any doses of the COVID vaccine differed from those who had received at least one dose of a COVID vaccine across several measures.

- They were younger, on average, than those who had been vaccinated. Roughly 75% of the unvaccinated were under age 50. Among the vaccinated, less than half were under age 50.
- They had lower levels of education, on average, than those who were vaccinated. Survey respondents who had received at least one dose were twice as likely as the unvaccinated to have a college degree or higher.
- They were much less likely than vaccinated adults to be married (46% vs 56%).
- The share of unvaccinated non-Hispanic White adults was not different from the share who were vaccinated. The same was true for Hispanic adults.
- But non-Hispanic Black adults were slightly more represented among the unvaccinated (13%) than the vaccinated (11%), a small but statistically significant difference.
 - There were notable differences for the Asian population, however: 6% of the vaccinated were non-Hispanic Asian but only 1% of the unvaccinated were non-Hispanic Asian.

Youth Services Events

RYLA is over and we are now focusing on student scholarship applications, which will go out this week. The Board approved the dollars and depending upon the response, we may grant up to 4 scholarships. Scholarships will be given at Awards night at each school, which is typically in late April or May.

Rotary's Four-Way Test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it fair to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Four Way Tests schedules now confirmed:

Edgewood March 1 Good job kids!
Thornebrooke April 19
Windermere May 17

50 Things You Should Know About Rotary

38 - ROTARY FLOAT IN ROSE PARADE

The Rotary International float in the annual Tournament of Roses Parade is undoubtedly the largest public relations project of the Rotary clubs of the United States and Canada. Since 1924 a Rotary float has been entered 18 times including every year since 1981. The famous Pasadena, California, parade is seen by an estimated 125 million people via worldwide television.

Funds for the construction of the Rotary parade entry are voluntarily given by Rotarians and clubs in the U.S. and Canada. The cost of designing, constructing and flower covering a Rose Parade float begins at about \$120,000.

A multi-district Rotary committee in Southern California coordinates planning of the Rotary float and provides hundreds of volunteer hours of service. The Rotary float must portray the annual parade theme, usually depicting one of the worldwide service programs of Rotary International. Each New Year's Day, Rotarians take pride in seeing their attractive float and realize they have shared in its construction by contributing a dollar or two to this beautiful public relations project.

Interim Report, Feb. 1 - March 31
Rotary Zone Membership Contest Scorecard

DISTRICT: 6980 CLUB: Rotary Club of Windermere
 PRESIDENT: Frank Kreis CLUB SIZE 7/1/2021: medium (30-59)
