

Sponsorship Request

Thank you for considering sponsorship of the Rotary Club of Windermere's 2015 Luau by the Lake. This year's fundraising event will be held on September 20th, 2015 and promises to be a fun-filled afternoon. Last year's event was a sellout with 400 tickets sold.

As a sponsor you will receive recognition at the event and on social marketing sites and print ads leading up to the event. In addition you will have the satisfaction of partnering with The Rotary Club of Windermere as we assist local organizations and complete local service projects.

The IRS recognizes The Rotary Club of Windermere as a 501(c)(3) organization.

If you have any questions please contact the Rotarian who contacted you, or George Poelker or Judy Black as listed below.

Thank you very much.
